

# MEXICO CITY IS NOW IN HANDS OF REVOLUTIONISTS

## Tampico Also Falls to the Rebel Forces

# CARRANZA FLEES TO VERA CRUZ

JUAREZ, Mexico, May 8.—General Alvaro Obregon and General Pablo Gonzales, rival candidates for the presidency of Mexico, today entered Mexico City at the head of their armies. General Jose Gonzalo Escobar, commander of the Juarez military district, announced at a banquet here tonight.

Tampico, one of the principal seaports of Mexico, also fell into the hands of the revolutionists, according to a statement authorized by General Escobar.

Lampazos in Nuevo Leon, has gone over to the rebels, Jose Lira, an attorney who spoke for General Escobar, said.

**Carranza Flees City**  
Vera Cruz, May 9.—President Carranza, who fled Mexico City at the approach of General Obregon's army, is a fugitive in the eastern part of Tlaxcala, and is believed to be trying to reach this city.

The railway train on which he left was stopped at Tlaxcala City by detachments of General Obregon's army and the president was forced to leave his car and flee on horse back. General Sanchez, an adherent of Obregon, is attempting to intercept the president in the mountains.

Instructions that the life of Carranza be spared have been issued by Obregon.

**Obregon Heads Troops**  
El Paso, Texas, May 8.—Revolutionary forces under General Obregon, candidate for the presidency of Mexico, were at the gates of Mexico City tonight.

An unconfirmed report to revolutionary headquarters today said troops had already entered the capital.

Several sweeping victories were claimed by anti-Carranza agents. Carranza was reported to have fled the revolution.

President Carranza is said to have ordered the abandonment of the northern states of Mexico and concentration of "the few loyal forces there" in Mexico City.

Torreon, Coahuila and Saccacetas and Aguas Calientes, capitals of the state-bearing those names and Saltillo, capital of Coahuila, were also claimed today by the revolutionists.

Rail and wire communication between these places and Chihuahua City had been restored, it was reported.

Eight thousand regular troops and 9,000 "defenseless sociales" or home guards, are operating for the revolutionists in Chihuahua.

According to Luis Montes De Oca, a Mexico City business man who returned today from Chihuahua City.

**Marines Ordered in Readiness**  
Washington, May 8.—A force of approximately 1,200 marines was ordered to proceed on the transport Henderson from League Island to Key West, Fla., to be held for possible service in Mexico.

Secretary Daniels in announcing that the marines had been ordered to Key West explained it was a precautionary measure of protection of Americans and that they would not be sent into Mexican territory unless it was necessary.

Col. W. P. Bannon will command the forces.

The Henderson left Charleston, S. C. today for League Island. The marines will be taken aboard there and the transport will proceed to Key West to join the six destroyers dispatched for service in southern waters.

# CHICAGO COUNCILMEN WEAR OVERALLS

CHICAGO, May 8.—Eight members of the city council high cost of living committee, clad in overalls, today began investigating food prices by eating a lunch prepared by R. J. Poole, city food director.

Mr. Poole served the committee ham sandwiches which he said cost 5 1/2 cents each. "They are twice as thick, both in bread and meat, as those you purchase in the restaurants. In certain restaurants sandwiches half as thick as these cost 20, 25 and 30 cents."

The committee also divided an apple pie that cost 28 cents. "At least a cut the restaurants are making 100 per cent profit," Mr. Poole said. "The coffee you are drinking costs 46 cents a pound. Each pound makes 42 cups."

Alderman Maurice Kavanaugh, a restaurant proprietor, protested that heavy overhead costs had not been taken into consideration. He said a broken coffee cup, for example, cost the profits on 30 cups of coffee.

# PROMINENT CIVIL WAR VET DIES

Rock Island, Ill., May 8.—William M. McConchie, Civil war veteran, four times mayor of Rock Island, and for many years prominent in Republican party circles, died at his home here last night, aged 73.

# ANOTHER YEAR CLOSES FOR WOMAN'S CLUB

## ANNUAL MAY BREAKFAST WAS HELD SATURDAY

### Reports For Year Show Earnest Work—Delightful Program Given—Officers Are Re- Elected.

The annual May breakfast of the Jacksonville Woman's club took place Saturday at Grace church completing the program of the twenty-third year. The club breakfast has come to be one of the most important social and literary events of each spring and the interest increases instead of diminishes from year to year. There were more than 150 women present at the handsomely spread tables in Grace church. The program included the transaction of business musical numbers by Mrs. William Barr Brown and Mrs. Carl E. Robinson and a reading by Mrs. Perry C. Thompson.

The officers for the coming year were selected and are: President Mrs. O. F. Buffe; president emerita Mrs. E. C. Lambert; first vice president Mrs. A. B. Williamson; second vice president Mrs. John F. Buckley; recording secretary Mrs. H. A. Perrin; corresponding secretary Mrs. W. D. Roberts; treasurer Mrs. Clark Green; assistant treasurer Mrs. M. L. Gilbert; chairman of domestic science round table Mrs. O. E. Tandy.

All officers were re-elected except Mrs. Marshall Miller, who has served as corresponding secretary and was not subject to reelection.

Mrs. O. E. Buffe presided yesterday with customary ease and the program moved along in a rapid and satisfactory way.

Grace was said by Mrs. David W. Reid and then the excellent menu was served. The arrangements were in charge of Mrs. Ben Lorton Mrs. H. P. Mohn Mrs. Harriet Timmons with members of the circle in the aid society to which they belong.

**The Club Will Endure**  
After the final course Mrs. Buffe by way of introduction said: "It is always a pleasure to greet the Jacksonville Woman's club. We wish to extend a cordial welcome to guests and especially to new members. Old members are glad to share with you the pleasures and benefits as well as the honors and responsibilities of the club."

Membership in the Jacksonville Woman's club will give you a broader and better view of life. It will make you have more charity for the faults and failures of others and give you a higher opinion of all womankind.

"This large attendance at our May breakfast indicates your deep interest in club work."

"I shall only make a brief report as much that I might say will be embodied in the reports of officers and committees. I have had the honor of presiding at all regular meetings of the club and executive board. I have been at all times the recipient of your hearty support and co-operation. Not only the officers and committees, but the whole membership have shown a spirit of service and loyalty which I deeply appreciate."

"We are indebted to the charter members of this club, for an organization that is well founded. We, as officers, are here today and gone tomorrow. We come and go, but the Jacksonville Woman's club will endure and lead the way to higher and nobler achievements. Let us eliminate every thing of a personal nature and work only for the interests of our beloved club."

Mrs. Buffe mentioned that two members of the club, Mrs. Cidry and Mrs. Montgomery, had been named as directors of the Civic Pride league. It has been said that if the women of the city get behind a movement that it will succeed and she suggested that the club evidence to the mayor interest in this movement and the desire to support it. The matter was given favorable action by the club.

The report of the secretary, Mrs. H. A. Perrin, was given, showing the active work that the club has done during the past year. The report of the treasurer, Mrs. Clark Green, showed gifts to the Free Kindergarten, Armenian and Jewish relief funds, Social Service league, the Silver Jubilee extension fund, the Illinois College fund, tablet in the Duncan Memorial home, the purchase of Liberty bonds, and the payment of prizes to high school pupils.

**Sound Finances**  
The report also indicated the sound financial condition of the club, which has a considerable balance in the treasury. A special committee from the club assisted in raising the fund for the tablet, this committee including Mrs. John F. Buckley, Mrs. E. B. Spink, Mrs. W. D. Doying, Mrs. Fred W. Bolton, Mrs. Bernard Gause.

The report for the art committee was from Miss Ellie Trabue who referred to the excellent lecture given by Dr. Carl E. Black, Mrs. Gertrude Steber Severn presented the report of the house committee. During this year the committee has provided generous floral decorations for each meeting. The record of membership was presented by Mrs. J. K. C. Pearson showing that the Woman's club now has enrolled 344 members 86 having been admitted during the past year together with 12 reinstatements.

Mrs. Edward P. Brockhouse, for the press committee, expressed appreciation of the notices given by the local papers during the year.

Mrs. Ben Lorton for the education committee (Continued on Page Four.)

# SOCIALISTS WILL NOMINATE DEBS FOR PRESIDENT

## Proposed Candidate Now Serving Ten Years in Prison

# BIG VOTE IS EXPECTED

NEW YORK, May 8.—Eugene V. Debs, serving ten years in the Atlanta, Ga. penitentiary for violation of the war time espionage laws, will be formally launched tomorrow into the 1920 national political campaign as a candidate for the fifth time for the Socialist presidential nomination.

At the convention here were sponsors for this statements tonight adding that Morris Hillquit probably announce Debs as "our candidate" in the second campaign speech of a keynote character, to be delivered at a Socialist mass meeting. Tomorrow's meeting is regarded as the "most important ever held" by the Socialist party of America, according to executive committeemen.

Hillquit, Seymour Steadman, of Chicago; Victor Berger, unseated representative from Milwaukee and Oscar Ameringer, of Oklahoma City, are scheduled to pronounce orthodox party views of leading political topics. These are expected to include amnesty for political prisoners, the government's attitude towards strikers, free speech, free press and free assembly, taxation, socialization of basic industries. Attorney General Palmer's "campaign of repression," deportations, war profits and profiteering, the league of nations, independence of Ireland and self-determination for small nationalities.

Today the convention cheered Hill quit's arraignment of the national administration as a betrayal of radical principles President Wilson was said to have campaigned for prior to the 1916 election, when Hillquit declared, Socialist votes elected him.

Hillquit predicted that the Socialist party ticket would roll up more than 2,000,000 votes in November, and probably triple its membership before the year ends.

Prime Minister Theodore, of the convention briefly, and William Z. Foster, leader of the steel strike also spoke. Foster received an ovation when he appeared for his term.

The convention opened with the singing of the Internationale, the Marseillaise and the Hymn of Free Russia. The unveiling of a life size portrait of Debs framed in black, brought an ovation, and the chairman was instructed by unanimous vote to telegraph him the convention's "love and pride a solidarity of labor."

"When we have the next big strike," he said, "I want to see the steel workers, the mine workers, the railroad men, every trade in it."

The convention went on record for the six hour working day when it voted to confine its day sessions hereafter from 10 a. m. to 4 p. m.

Mrs. Buffe mentioned that two members of the club, Mrs. Cidry and Mrs. Montgomery, had been named as directors of the Civic Pride league. It has been said that if the women of the city get behind a movement that it will succeed and she suggested that the club evidence to the mayor interest in this movement and the desire to support it. The matter was given favorable action by the club.

The report of the secretary, Mrs. H. A. Perrin, was given, showing the active work that the club has done during the past year. The report of the treasurer, Mrs. Clark Green, showed gifts to the Free Kindergarten, Armenian and Jewish relief funds, Social Service league, the Silver Jubilee extension fund, the Illinois College fund, tablet in the Duncan Memorial home, the purchase of Liberty bonds, and the payment of prizes to high school pupils.

**Sound Finances**  
The report also indicated the sound financial condition of the club, which has a considerable balance in the treasury. A special committee from the club assisted in raising the fund for the tablet, this committee including Mrs. John F. Buckley, Mrs. E. B. Spink, Mrs. W. D. Doying, Mrs. Fred W. Bolton, Mrs. Bernard Gause.

The report for the art committee was from Miss Ellie Trabue who referred to the excellent lecture given by Dr. Carl E. Black, Mrs. Gertrude Steber Severn presented the report of the house committee. During this year the committee has provided generous floral decorations for each meeting. The record of membership was presented by Mrs. J. K. C. Pearson showing that the Woman's club now has enrolled 344 members 86 having been admitted during the past year together with 12 reinstatements.

Mrs. Edward P. Brockhouse, for the press committee, expressed appreciation of the notices given by the local papers during the year.

Mrs. Ben Lorton for the education committee (Continued on Page Four.)

# Condensed Telegraphic News

(By The Associated Press)

MINNEAPOLIS, May 8.—Inadequate transportation facilities, more than an actual grain shortage is held by local millers and grain men as responsible for severe recent increases in the price of flour, which advanced another 25 cents to \$16.25 a barrel here today.

PARIS, May 8.—The Federation of Postal Employees has appealed to all employees in Paris to gather at a general meeting tomorrow, to discuss means to uphold workers now striking. Although the appeal does not mention striking there is no intimation prevalent such action is behind the call.

CAIRO, Egypt, May 7.—British troops in Cairo are restive under recent attempts at assassination, culminating yesterday in the murder of a Lieutenant by four Egyptians. The assassins fired point blank.

STEVENS POINT, May 8.—Mrs. Margeline Januszecki is dead at Plover, at the age of 103 years. She was believed to have been the oldest resident in Central Wisconsin.

ST. PAUL, May 8.—One man was killed and three others hurt, when gas fumes in an empty 165-gallon gasoline tank, belonging to the Manhattan Oil company exploded here tonight.

MOBILE, Ala., May 8.—F. P. Britton, shoemaker, was arrested today charged with violation of the Elver act in that he sold a pair of shoes costing 15.90 for 25.

DUBLIN, May 8.—A sergeant was shot and seriously wounded while on his way for duty at Dublin Castle. Two men shot the detective from behind and escaped.

**DR. BUTLER, CANDIDATE  
FOR PRESIDENT, FAVORS  
LIGHT WINES AND BEER**

Republican Possibility Issues Statement Setting Forth His Principles

NEW YORK, May 8.—Dr. Nicholas Murray Butler, candidate for republican presidential nomination, favoring among other things light wine and beer and principles underlying the Kansas court of industrial relations.

The statement sets forth seventeen points covering the subjects which Dr. Butler says urgently need attention.

Restore to the people their American form of government. Attack the high cost of living at its source—the high cost of government.

Enact an executive budget. Reduce the expanded credit with inflated currency and high prices built up in it.

Supervise big business. Resist government ownership and operation of railroads. Aid the movement towards industrial democracy.

Make the public interest supreme in industrial controversies. Principles underlying the Kansas court of industrial relations are sound.

Protect the natural resources. Promote every movement to improve health, housing and education.

Provide a merchant marine. Resist attempts to bring the saloon. Displace the Volstead act by a law for enforcement on the basis of common sense. The near beer and light wines that form a part of the staple diet and are not more intoxicating than molasses, and not half so harmful as ice water.

Stop lynching and mob rule. Rid our political life of sectionalism. Reform our primary laws. Make plain in what true Americanism consists and yield not a jot or tittle to it. Resume our foreign policy on historic lines.

**PAUL JONES TAKES  
KENTUCKY DERBY**

LOUISVILLE, Ky., May 8.—Paul Jones, in the stable of Ral Parr, Maryland turfman and ridden by Jockey T. Rice, won the forty sixth renewal of the Kentucky Derby at a mile and a quarter today over the largest field that ever faced a Kentucky Derby barrier. The winner held the lead from the start. Harry Payne Whitney's Upset with J. R. Rodriguez up, four lengths to the rear, was second. Former Congressman G. W. Lof's Or Warbird, ridden by N. Barrett, four lengths behind Upset, was third, piloted by Jockey E. Ambrose, was fourth, two lengths behind On Watch. Seventeen horses started.

**CHARGED WITH USE  
OF MAILS TO DEFRAUD**

Kansas City, Mo., May 8.—William H. Woods of Chicago, was indicted by a federal grand jury today on thirty six counts charging use of the mails to defraud. Woods was allowed sixty days to prepare his answer. He was released on \$5,000 bond. Nine other persons indicted jointly with Woods were not arraigned. Nearly 2,000 persons in Missouri, Kansas, Nebraska, Iowa and Michigan, according to District Attorney Wilson, were victimized for an amount approximating \$200,000 in an alleged all land fraud.

# EXPECT BIG CLASH BETWEEN LOWDEN- THOMPSON FORCES

## Chicago Mayor Will Insist on Acceptance of His Platform

# DEMOCRATS EXPECT FIGHT

SPRINGFIELD, May 8.—Delegates to the Illinois state republican and Democratic conventions began today to gather here for their meetings Monday.

The Lowden and Thompson factions of the Republican party are massing their forces for the fight which is expected to develop on the floor of the convention.

With the arrival today of Mayor William Hale Thompson, of Chicago, and Fred Lundin, his campaign manager, it was announced the Chicago mayor would insist upon the convention accepting the platform outlined by the recent Cook county convention.

On the other hand, Governor Frank O. Lowden announced there would be "no compromise on the principles involved."

Chairman Frank L. Smith has called a meeting of the retiring Republican state central committee for tomorrow night when temporary officers of the convention will be selected. Congressman William Rodenberg, of East St. Louis, and William H. Boys, of Streator, has been mentioned for temporary chairman.

The few Democrats who have arrived look for a heated controversy as a result of an effort upon the part of the Cook county delegates to have a "wet" plank inserted in the platform. A temporary chairman and secretary will be named at a conference tomorrow night.

Among the Republican arrivals of the day aside from Mayor Thompson and his party were Congressman Frank L. Smith, Dwight; Congressman at-Large William E. Mason, Chicago; Col. B. M. Chipperfield, Canton; Edward D. Shurtliff, Marengo; Congressman William B. McKinley, of Champaign, candidate for United States senator, will arrive tomorrow.

**WHEAT CROP  
SHOWS IMPROVEMENT**

WASHINGTON, May 8.—Winter wheat production this year was forecast at 48,647,000 bushels by the department of agriculture, which based its estimates on conditions May 1. The crop showed a slight improvement from April 1, the forecast of production being 1,030,000 larger than estimated a month ago.

Compared with last year's crop, the prospective wheat crop has been reduced 33.8 per cent.

Abandonment of acreage last winter was a little greater than in average years, amounting to 11.9 per cent or 4,605,000 acres.

On the basis of May 1, reports 34,165,000 acres will be harvested in comparison with nearly 49,000,000 acres last year.

Shortage of labor and a backward spring are believed to have resulted in less abundant harvest than normally would have taken place, farmers allowing fields to stand that otherwise would have been plowed under and planted to other crops.

Farm work is much behind owing to the cold and wet spring. Plowing May 1 was only 60.1 per cent completed, compared with a ten year average of 71.4 per cent. Spring planting was 50.2 per cent finished while normally it is 59.0 per cent done.

**METHODISTS HEAR  
MISSIONARY SPEAK**

DES MOINES, May 8.—Dr. Frank H. Smith of Seoul, Korea, speaking tonight at the fraternal delegate from the Japanese Methodist church to the Methodist general conference, stated Japan is not a military menace. He declared that the boys are no longer to enter the military or naval academy.

Dr. Smith gave as further evidence that Japan is turning from militaristic tendencies, the fact that it's enormous war profits are being used by the government to build 29 new colleges, ten new universities and to educate hundreds of Japanese young men to assume professorships in these new institutions.

He stated further that the most popular word in Japan today is "Demokurashi," the Japanese equivalent for democracy.

Greetings from the Methodist Episcopal Church South, were brought to the conference by Dr. C. W. Tadlock, who expressed a strong hope that the two great Methodisms of America may be soon united.

**SUGAR DEALERS PLEDGE  
TO STABILIZE PRICES**

CHICAGO, May 8.—Fifty sugar dealers and wholesale grocers at a conference called today by District Attorney Clyne pledged co-operation toward stabilizing of the price of sugar and agreed there should be but one resale between various houses.

S. P. Steele, president of a wholesale grocery concern, advocated a fixed price for Chicago, based on New York prices of raw sugar, with profits to dealers limited to 1-2 cents a pound.

# JACKSONVILLE WINS INTELLECTUAL HONORS

## Scored Twenty-one Points And Ties With Virginia on Grand Total—Lost Cup in Draw.

This year the Intellectual contest has been combined with the track and field meet in the Western Illinois high school league and a sweepstake prize cup offered to the school which won the highest number of points of the combined contest.

Jacksonville and Virginia tied for this cup and according to the rules of the league drew lots for the cup, and to the keen disappointment of the many local rooters, Jacksonville lost the draw.

Principal H. C. Hopkins believes that permission can be obtained from the league for Jacksonville to buy a duplicate cup of the one which was lost in the drawing with Virginia, and states that a move is already on foot to that end.

The loss of the cup last night was especially felt since all the Jacksonville trophies were lost in the high school fire and the collection has just been begun again.

In the Intellectual contest last evening in the David Orin gymnasium, Jacksonville had little trouble in winning the Intellectual contest and making enough points to tie with Virginia for the first place.

The program and winners in the Intellectual contest were:

**Piano Solo.**  
First, Clara Smith, Jacksonville, "Valse in E minor" (Chopin).

**Vocal Solo.**  
First, Lois Harney, Jacksonville, "My Morning" (Denza).

**Second, Lois Camm, White Hall.**

**Declamation.**  
First, Mary Widmayer, Virginia, "Helene Tharnre" (Pheps).

**Second, Iras Bernice Henry, Winchester, "Ole Mistus" (Moore).**

**Violin Solo.**  
First, Alfred W. Hughes, Waverly, "The Tango" (Albeny-Elman); "A Legende" (Wienawski); "Valse Bluette" (Drigo-Auer).

**Second, Gerald Gill, Virginia, "Berceuse" (Tendard); "The Son of the Pustia" (Hungarian) (Beta Beta).**

**Quartette.**  
First, Jacksonville—Lois Harney, Ruth Reynolds, Clara Smith, Eunice Haerie, "Water Lilies" (Linders).

**Second, White Hall—Russell Knox, Porter Robley, Hugh Greer, Ernest Roodhouse, "Rock Him to Sleep" (Bingham); "Old Fashioned Medley" (Nevin).**

Following the contest the winners were awarded their cups. Virginia, the track and field cup; Jacksonville the Intellectual cup; Jacksonville the cup for the quartette, and Waverly the shield for the relay race. And finally the overlapping reward cup to Virginia.

The following were the judges of the musical contest: Quartette—Miss Mary Maquire of Alton, Mrs. O. C. Hostetler of Alton, Miss V. L. Sterling of Alton, Miss V. L. Sterling of Alton, Miss V. L. Sterling of Alton.

**Violin Solo.**  
Miss Marguerite Hahn of Springfield, Miss Veda Beebe of Jerseyville and Mr. Cyrrs Daniels of Shurtliff College, Alton.

**Violin Solo.**  
Miss M. Daniels, Miss Lola Ott of Bloomington and Miss Marguerite Hahn.

The events in the Intellectual contest count seven for first and four for second.

The final standing of the high schools is:

Schools	Points	Intellectual	Track	Total
Virginia	11	36	47	
Jacksonville	21	26	47	
Waverly	11	26	40	
White Hall	8	26	30	
Beardstown	0	24	24	
Winchester	4	4	9	
Ashland	0	8	8	
Petersburg	0	1		

**ILLINOIS COLLEGE  
CANVASS IN FRANKLIN**

The second precinct in the county to be systematically canvassed by the Illinois College Endowment committee was Franklin where the local committee, consisting of M. B. Kepinger, Alex H. Wright, J. L. Seymour, Will Douglass and Mrs. Charles R. Gibson assisted by President Rammelkamp, Rev. Thomas W. Smith, W. B. Rodgers, H. H. Bancroft, Eb Spink, and George Sooy secured about \$600.00 Friday and Saturday morning. The canvass is not yet complete but will be published later.

The college gave a complimentary supper in the M. E. church Thursday evening, the invocation was pronounced by Rev. W. James. About ninety friends of the college were present. Miss Eloise Capps, accompanied by Virginia Bullard, gave a violin solo and the company sang a number of songs under the leadership of Rev. Smith, this was followed by addresses by President C. H. Rammelkamp and Rev. Mr. Smith.

**LEAVE FOR NEW HOME**  
Rev. and Mrs. E. L. Fernandes left Jacksonville recently for their new home at Wellington, Ill. Rev. Mr. Fernandes is pastor of the Presbyterian church there. As an evidence of their esteem the people of the church recently granted him an increase in salary and presented him with a Ford car.

# TURKISH TREATY WILL BE HANDED OVER TUESDAY

## Provides for the Safe- guarding of Minor- ity Populations

# DOCUMENT VERY DRASTIC

WASHINGTON, May 8.—By The A. P.—Provisions safeguarding rights of minority populations make up much of the Turkish peace treaty. A summary of the treaty, to be handed to the Turkish delegation in Paris Tuesday, was received today.

Fourteen articles are devoted to protection of the Armenians, Greeks, and other minority populations which under the pact will remain within the new boundaries of Turkey.

One thing Turkey agrees to do is to annul all conversions to Islam which have occurred between November 1, 1914 and the coming into effect of the treaty. It also undertakes to assist in the recovery of men, women and children of wholly and partly non-Moslem parentage who have adopted the Islamic faith since November 1, 1914 and who are claimed by their families or communities.

The fullest right of search for lost persons in private houses and institutions is conceded.

Such reciprocal and voluntary emigration of persons belonging to racial minorities as the allied powers may consider opportune is recognized.

Turkish subjects of non-Turkish race such as Armenians and Greeks who have been driven from their homes.

Racial minorities are given freedom to establish, manage and control charitable, religious and social institutions, schools and other educational establishments.

**REFERENDUM OF  
FARMERS COMPLETED**

CHICAGO, May 8.—The first national referendum of farmers to be taken in this country and possibly in the world have just been completed. J. R. Howard, president of the American Farm Bureau Federation, announced today.

Mr. Howard said the purpose was similar to that of the referendums taken among business men by United States chamber of commerce, namely to ascertain views of the farmers of questions of a national scale.

The initial farm referendum related to federal taxation and had to do with a bill introduced in congress, said Mr. Howard. Until results can be put into shape to be made public he soon to be taken, he said, to deal with federal highway legislation.

National headquarters of the American Farm Bureau Federation were opened here this week. Since organization of the Federation in March it has been located temporarily in Ames, Iowa.

Mr. Howard said that the American Farm Bureau Federation had a membership of more than 1,000,000, that 30 states were organized and that its first year's budget was \$200,000.

**CHICAGO WILL HAVE  
WORLD'S LARGEST HOTEL**

Chicago, May 8.—Plans for the largest hotel in the world, to front three blocks on Lake Michigan and Sheridan road, were made public today. According to the plans, the hotel will be five units with the present Edge-water Beach hotel as one unit.

The architects have planned 4,100 rooms. The cost is estimated at \$15,000,000.

## MONEY FOR GOOD CAUSES

The times are said to be tight and bankers are careful about lending money. They are providing for definite business needs but discourage expansion. But it is noticeable that the money causes patrons for various good causes continue and that they are all successful. People these days both spend more and give more. The latter habit is less dangerous and more to be commended than the former.

## INFLUENCES TO CONSIDER

When a group of bandits held up an East St. Louis bank Friday one of the officials who was holding up his hands asked the

robbers if they "had learned this in the movies." "No, it's high living costs that makes us do it," was the reply.

There's a good deal in this interchange of sentences and they shed real light on present day affairs. Without doubt there is too much of the sensational in filmdom shown in the big cities and many a holdup and crime of like nature can be traced back to a motion picture influence. It's just as true too that the struggle with living costs is bringing unrest and dissatisfaction with conditions.

Neither of these things furnish a legitimate excuse for crime but they are influences which must be taken into account in the endeavor to correct the wrong tendencies of the times.

## WE'LL SEE THE BENEFIT LATER

Local wool dealers are paying about 40 per cent less for raw wool now than they were a year ago. It is not too much to hope that this price will be reflected in the price of tags on woolen goods in the due course of time.

## FOR SPOTLESS TOWN

The Civic Pride League is undertaking a worth while task in Jacksonville. The slogan is, "Make this the cleanest and healthiest city in Illinois." Conditions here are by no means outrageously bad but there is room for improvement. Women united in this good cause will find ready support and that support will bring good results.

## SOME DIFFERENCE IN PAY

Federal Judge Landis, in Chicago, expresses his private as well as court opinion on most every case that comes before him for consideration. So it is not surprising that he roundly criticized the management of the Chicago Federal Reserve Bank for paying its governor a salary of \$35,000 a year, its cashier 10,000 and the manager of its publicity department \$30 a week. The judge believes that this is too great a disparity in salaries, when the importance of the work done is compared.

## ARE STILL ON THE FARMS

There have been many complaints about the inroads that city factories have been making on farm labor the theory being that the higher wages paid in the factories have been turing men away from the farms. The census facts do not bear out this theory for they show that there are hundreds of thousands of more men employed upon farms today than was true ten years ago. Evidently the "back to the farm" movement has had its good effect.

## STRONG FOR SENATOR MCCORMICK

Every time that Senator McCormick makes a suggestion in the senate the Chicago Tribune calls for favorable attention to the fact. The "Trib" invariably says the suggestion is good which impresses the fact that it is a mighty handy thing for a national statesman to have a great paper constantly ready to help along with his projects.

It is proper to say in this connection that Senator McCormick does have good suggestions and when he talks in the senate his statements show breadth of vision and good business sense.

## THE REPUBLICAN PROSPECT

The Republican convention at Springfield tomorrow promises to be the most interesting political state gathering held in some years. Mayor Thompson is coming down from Chicago with nearly enough strength to control. He has the avowed purpose of forcing the

state convention to adopt his platform. It remains to be seen as to whether the mayor can gather enough downstate strength to put over his program in defiance of the latter.

There is one good thing about the situation and that is that while the fur may fly Monday that differences of opinion will not be sufficiently strong to bring about a party division and the whole party strength will be lined up later on in support of the regular nominees national and state.

## THE WOMAN'S CLUB AND ITS GROWING INFLUENCE

It is interesting to note that the strength of the Jacksonville Woman's club is not diminished as years pass by. Many organizations start out with a rush of enthusiasm which before many months or years have passed wanes and the interest dies. It is not so with the Woman's club for the organization has gained in strength, numbers and influence with passing time. The reason must be that the club deals with vital things—that it has a real work to perform.

A Jacksonville visitor said the other day that she hoped to see the time when the woman's clubs concerned themselves less with things that are cultural and devote more attention to the problems of living, to the building up of right influences for young people. While the Jacksonville Woman's club does concern itself with cultural things it has all along shown interest in the affairs of the home and in those movements that are accounted for the general good.

No doubt there will be still further development along this line and the club influence will continue to expand. The sphere of woman has greatly enlarged since this club came into existence, the rights and privileges of women have been increased. At the same time there have come greater responsibilities and it is a matter for congratulation that the members of this organization seem to realize that fact and make the constant endeavor to measure up fully to present day civic responsibilities. The Woman's club of Jacksonville exerts a definite influence for the betterment and the building up of this city.

Rippling Rhymes  
By Walt Mason

**Another Strike.**  
This night I will not sweat the flies, as I have soaked them in the past; I'll not as an avenger rise, and slay a million, first and last. 'Tis true I may resort to blows, and kill a few in self defense, when they alight upon my nose, and cause me agony intense. But I won't drop all other chores to chase the cheap, besotted flies, although the Health Board rips and roars, and says I'm foolish and unwise. For years I've plied my swatting stick, a million billion flies I've slain; results? their absence makes me sick—my weary toil was all in vain. There'll be more flies this year, I wist, than ever flopped around before; the ones I slew will not be missed; for each one killed there'll be a score. You've heard about the ancient gent who pushed a boulder up a hill; a few feet up the slope it went, and then slipped back, already still. No modern modern man would stand for that; results must come, or people quit; and so no more flies I'll bat, since batting doesn't make a hit.

**NOTICE**  
DeSilva's Quick Lunch will not open until 11 a. m., closing at 2 a. m., beginning Monday, May 10.

**PROBATE COURT.**  
In the estate of J. L. Rutherford, the inventory was approved and the same action was taken on petition to omit appraisement and fixing the amount of the widow's award.

In the guardianship of Emma Swain et al., the inventory was approved.

In the estate of Ellen Perry, the final report of the administratrix, Florence J. Perry, was approved.

In the estate of A. T. Bartlett, the final report of the Farmers' State Bank and Trust Co., as executors was approved and the estate closed. This report showed inheritance tax paid of \$1,587.93 and U. S. tax paid to the collector of revenue of \$4,494.44.

**VISITOR FROM NEBRASKA**  
Harold Green of Gering, Neb., is visiting his grandfather, Austin B. Green, and other relatives and friends in this vicinity. He is a son of Clifton Green and a wide awake, progressive gentleman. He says the season is as backward with them as here and even more so for when we had rain storms here they had snow and blizzards. Things are looking up some now however and the prospects are generally good.

**REAL ESTATE TRANSFERS**  
Frank Smith to Horace Bridgman, pt. lots 19 and 20, old plat Chapin, \$150.

G. A. Baker to George A. Roach, lots 15 and 16, Litter's addition to Litterberry, \$1,250.

## CHAPIN NOTES

The G. T. O. club held an open meeting recently at the home of Mrs. F. G. Eller. An excellent program was given and after it came a social time with refreshments. Altogether it was a very pleasant affair.

Mrs. F. M. Roberts and Mrs. W. W. Anderson of Chapin came to Jacksonville Saturday to attend the May breakfast of the Woman's club at Grace M. E. church.

Will the driver of a Maxwell car who took three Beardstown men to the C. B. & Q. depot from the track, Monday Saturday afternoon please return the saxophone which was left in his car to J. Bart Johnson Music store.

## Funerals

## House.

The funeral of Mrs. Frances House was held Saturday afternoon at her residence on South West street. The services were in charge of Rev. Mr. Crockett and Rev. H. H. Dewitt. The choir of the church furnished the music. Flowers were cared for by Mrs. E. D. Hayden, Mrs. Hattie Holt, Mrs. Carrie Burton and Mrs. Williams.

A large company was present for the services. Interment was in Jacksonville cemetery and the bearers were James Matthews, Sylvester Arbuckle, A. J. Jones, Walter Williams, Cornelius Herman and Homer Quinn.

Miss Mary Groves, R. N., who is assistant supervisor of nurses at the Dunning State Hospital Training school, returned to Chicago yesterday after a two weeks visit with her parents, Mr. and Mrs. J. Alonzo Groves, 1301 Mound avenue.

## CARS HAVE GONE.

Two Chandelers, which were stored with Joy Brothers' modern garage, waiting for good roads, were taken to Slater, Mo., yesterday by Messrs. Gillman and Stule. Eight Dodge cars were taken, six shipped by rail and two by road to Nebraska.

**LICENSED TO MARRY**  
Frank X. Peterson, Chicago; Blanche Hogan, Jacksonville.

## MEREDOSIA CHILD DIES FROM BURNS

Mildred Shinnbarger Succumbs to Burns Received Thursday Afternoon—Coroner Rose Will Hold Inquest Today.

Meredosia, May 8.—Mildred Shinnbarger, aged four years, died at the family home tonight as the result of burns received last Thursday afternoon.

The child set fire to her clothing in some manner Thursday afternoon while her mother was at a neighbors. Other neighbors hearing the child's cries rushed to the residence and found her enveloped in flames.

The burning clothing was torn from the child's body and Dr. F. A. Neville gave the necessary medical attention. Despite every effort the child passed away tonight.

Coroner Rose was notified of the death. He will be here Sunday morning to hold an inquest.

**Garments that add comfort to a man's sleep are the kind of nightwear sold by FRANK BYRNS' Hat Store.**

**MRS. BERRY VERY ILL**  
Mrs. Martha A. Berry, better known as Aunt Ann, suffered a stroke of paralysis Thursday at her home, 145 East College street. Mrs. Berry is 86 years of age and her recovery is thought doubtful.

## ANN LITTLE and JACK HOXIE

## "LIGHTNING BRYCE"

ANN LITTLE, queen of the Western dramatic features, and one of the screen's most beautiful and popular stars, was born at Sisson, Cal., Feb. 7, 1894. Her early schooling was had in her home town and later at Chicago University.

JACK HOXIE, who is probably the last of the real, old fashioned cowboys now appearing in photo dramas, was born in Oklahoma in 1890. Of splendid physique—he is six feet tall and weighs 190 pounds—and handsome features, he is easily the screen's foremost western dramatic star.

## EPISODE NO. 1

Episode No. 1 has several big punches to it. One punch is the rescue of the runaway stage coach by Lightning Bryce who makes a flying leap from his horse onto the back of one of the stage coach horses. This is a thrilling situation and is bound to bring down the house. The big situation in this episode, however, is the final stunt. Kate is seen on a bridgeless horse which is rushing madly toward a high precipice. Lightning notices Kate's predicament and rushes to her rescue. Just as Kate's horse plunges over the precipice, Lightning throws his lariat across the horse's back. He is too late to save it from going over, but manages to grab the tail and save Kate. The episode ends, however, with the suspense of not knowing whether or not Kate is saved as the scene closes with the horse and rider going over the high precipice to what seems like certain death.

### ANOTHER YEAR CLOSES FOR WOMAN'S CLUB

(Continued From Page One.)  
national committee made special reference to the forceful address of Supt. Francis G. Blair on Americanism. She said also that members of the committee had spent a good deal of time in studying efforts to reduce the high cost of living, even if the results were not appreciable.

Mrs. Miller Weir made a report for the auditing committee indicating that the reports of the treasurer had been audited and the records found admirably kept.

Other Reports.  
A letter from Mrs. Carl E. Black was read by the secretary, giving account of the activities of the health and home defense committee of which Mrs. Black is the chairman.

Mrs. J. Parker Dean told of the meeting at which Miss Isabel Beyer of Urbana made a talk on Home Economics. Other references were made to the helpful address given by Miss Beyer.

After Mrs. William Barr Brown, Jr., had made her report for the music committee a rising vote of thanks was extended for the work done. There have been programs of great worth at different times throughout the year and the April concert was such a financial success that a profit of \$70 was paid to the treasurer.

No December meeting of the club was held and Mrs. W. S. James explained this was due to the fact of the coal shortage and the desire of the club to

join in the conservation of fuel. Mrs. John J. Reeve briefly presented the report of the social committee.

One of the most active departments of the Woman's club is the Domestic Science Round Table and the report of work done was presented by Mrs. O. E. Tandy, president. The meetings are always well attended and the programs carried out are of practical value. Mrs. Tandy made reference to the assistance given by the Round Table in providing the Duncan Memorial tablet and gave credit for the work to a special committee including Mrs. Cogswell, Mrs. Herald, Mrs. Hook, Mrs. Knapp and Mrs. Bergschneider.

Musical Numbers.  
Mrs. Buffe spoke of the special pleasure in presenting the musical program. Mrs. William Barr Brown, Jr., sang "A Captive Lark," Ronald, "Chinese Lullaby" Bower, and "Where Blossoms Grow," Souci. All three were sung with fine effect.

After the reading by Mrs. Perry C. Thompson the company was favored by another musical number when Mrs. Carl Robinson sang "Printemps" by Stern, and "When the Heart is Young," by Dudley Buck. Mrs. Robinson was in fine voice and responded to an encore. Miss Ellen McCurley was the accompanist for both of the soloists.

Mrs. Thompson's reading was the comedy, "Suppressed Desires." The fine touches of humor in the comedy were very cleverly given. "Suppressed Desires" was written by Susan Gossell and George C. Cook. The authors call it a Freudian comedy. According to Freud, dreams represent the fulfillment of wishes. The comedy touches in a humorous way upon the theories of the psycho-pathologist who has made interesting contributions to science in the new method for the analysis and treatment of hysteria. In "Suppressed Desires" some of the psychic theories referred to are held up to gentle ridicule and the idea is worked out in such a way that the audience found the comedy delightfully refreshing.

Mr. Buffe told of her pleasure in presenting Mrs. E. C. Lambert, president emerita of the club, who was the first president, elected twenty-three years ago. Mrs. Lambert has long been interested in activities of the club and congratulated the women yesterday on the splendid reports made and the evidences of useful activity. The speaker said it would be her pleasure now to be more closely associated with the club than had been possible during the last year or two.

A Successful Day  
The arrangements for the breakfast were of a kind which called forth many compliments and the social committee was congratulated upon the success of the occasion. Mrs. J. J. Reeve is chairman of this committee and associate with her were Mrs. John W. Clary, Mrs. Lillian King, Mrs. John R. Davis and Mrs. Nelson McMurphy. Mrs. M. R. IFtch was the hostess chairman, associ-

ated with Mrs. F. E. Farrell, Mrs. O. F. Buffe, Mrs. W. B. Groves, Mrs. F. W. Bolton, Mrs. G. H. Scott, Mrs. G. T. Lukeman, Mrs. George Fuhr, Mrs. W. A. Fay, Mrs. John Cain, Mrs. T. H. Buck, Mrs. E. L. Pletcher, Mrs. Henry C. Goebel, Mrs. Jess Henry, Mrs. McLaughlin, Mrs. Hombrough, Mrs. Hopper, Mrs. Murray, Mrs. Edward Greenleaf, Mrs. A. C. Kingsley, Miss Paradise.

Following the election of officers one or two minor matters of business were given attention and then came adjournment. The club breakfast went into the records as one of the most successful the club has held in its long history.

### INSANE WIFE KILLS HUSBAND

Elgin, Ill., May 8.—Henry C. Friedericks, secretary of the Elgin Granite works, was shot and instantly killed by his wife shortly after noon today. According to the police, Mrs. Friedericks killed her husband while "insanely jealous." A serious illness for which she had been treated in various sanitariums is said to have caused her to suffer hallucinations regarding her husband's conduct.

Without warning she fired at her husband when he came home to lunch. Four of the seven shots took effect.

### PROTEST AGAINST PROPOSED TAX

Chicago, May 8.—At a special meeting of the Chicago Board of Trade today resolutions were adopted protesting against the proposed federal tax of two cents on each 10 value of all sales of grain or produce for future delivery, an increase of 1,000 per cent over the rate now in force.

### SWINE BREEDERS ORGANIZE

Danville, Ill., May 8.—Swine breeders from all portions of the state met here today and organized the state Poland China hog breeders association. The first officers are: President—W. W. Marriett, Mahomet. Vice President—Everett Melbino, Greenfield. Secretary-Treasurer—John C. Moore, Winchester.

### TALKS BURGULAR OUT OF TAKING HIS LIFE

Philadelphia, May 8.—William G. Thompson, lawyer and wealthy clubman, attacked in his apartment in the St. James hotel by a burglar early today, made so strong an appeal for his life that the desperado spared him. Mr. Thompson had been surprised and blackjacked into unconsciousness. When he regained his senses his assailant was covering him with a revolver.

### FINDS \$1400; REFUSES 50c TIP

Dallas, Texas, May 8.—Robert Swann, bellboy in a local hotel, late yesterday refused a fifty cent tip when he returned \$1,400 to a man who had left the wallet containing the money on a desk in the lobby.

## "He Profits Most Who Serves Best"

### EFFORTS TO COMPLETE PROVOST JURY FAILS

Mount Clemens, Mich., May 8.—Efforts to complete a jury to try Lloyd Provost, charged with murdering J. Stanley Brown, failed again today and a third panel was ordered to report Monday. Thus far 94 men have been examined and eleven tentatively accepted.

### TO ATTEND CONVENTION

Mr. and Mrs. John J. Reeve, Mr. and Mrs. Miller Weir, Mr. and Mrs. W. L. Fay will go to Springfield today to attend the Republican State Convention Monday.

### Improved Corn and Wheat Land for Sale

We have a number of very desirable tracts at attractive prices. Write for particulars.  
**Corn Belt Land Co.,**  
Wolcott, Ind.

### EIGHT THOUSAND SWISS

Only eight thousand Swiss soldiers fought in the war. That number entered the French service.

But that is not the whole story. Out of the eight thousand three hundred survived, including many wounded. The rest, seventy seven hundred, were killed. A thousand of them held up a German advance one day at Verdun; held it up until the last man of them was killed.

About fifty years ago the story of William Tell and the poem of Arnold von Winkelried were in most of the school readers that young Americans cut their literary teeth on. The eight thousand Swiss who fought in the war well established the right of that story and that poem to remain in American school readers.

# MOLINE UNIVERSAL TRACTOR

Ride the Implement—  
Not the Horse

6

Features You Want

1. Does all field work—including cultivating—and belt work. Saves most horse keep.
2. One man handles both tractor and implement. You can farm more land alone.
3. Tractor and implement back up as one unit. Easily handled in close places.
4. Operator sits on implement seat. Perfect control over whole outfit.
5. Operator's eye always on implement. Better implement work; better crops.
6. Tractive power ahead of work; operator behind it. Handles like horses.

You'll admit the implement is the business end of your outfit, so for good work—ride the implement. That practice cannot be improved; it should not be changed. With the quality of your tillage work so directly responsible for the quality and quantity of your crop—remember the importance of the seat upon the implement.

The man who built the Moline Universal Tractor built it so the one man who operates both the tractor and its implement always does so from the seat of the implement, no matter what the operation. It's the logical place to sit. You can see that the implement does good work all the time and adjust it to meet varying soil conditions without loss of time, so that its good work is continuous from sunrise to sunset.

You have to be on the implement to do this—right on the job. It's all to your advantage and profit to be there. This, combined with its saving in man and horse labor, makes the Moline Universal the sound investment that it is.

It's convenient, too, to sit away back from the heat and exhaust of the tractor—especially in July and August—with all the controls of both tractor and implement right under your hand giving you absolute and perfect control over the entire outfit. You can do better work with the Moline Universal, at less horse and man expense, than with any other tractor.

Ask us to prove it to you, by figures or by demonstration.

## NEW FEATURES WILL BE SEEN AT MAY DAY FETE

All Add Much to Beauty of Event—Program Will Contain Much of Interest—Affair Promises to be Event of Commemorative Season.

Several new features have been added in the program for the May Day festival at I. W. C. this year, which will add much to the beauty of the affair. Now that the warm spring weather has come it has made practice on the campus possible and both students and faculty are working hard to make it a success. The date has been set for Monday, May 17, at 10 in the evening.

Singing and marching is to be special attraction. The program will open with the grand march, on the whole student body will march in line at the gymnasium to the west end of the campus. The Freshman class will lead and the classes in order will follow, each preceded by its own herald. The queen's cortege will come last and will be led by Miss Zerita Schwartz, senior, followed by Miss Pitkin, as crown bearer, and Miss Ruth Harker, the May queen. Both will be accompanied by Honor Guard of Miss Harker's class. Other members of the senior class will carry a canopy

over the queen. At the throne the crowning of the new queen will take place with a very lovely ceremony.

At this point the various exercises will begin with an interpretative solo dance "Spirit of Spring," by Vera Wardner. The Freshman dance will follow, in which the colored hoops will add a great deal to its effectiveness. "Sunshine" will follow, and after this the Sophomore will appear in a military folk-dance, "The Gay Hussars."

A bit of old English coloring will be added to the event in the interlude, "St. George's Play," to be given by the Junior class. In this the "Mummers" and "Morris Dancers" will be brought in. A very charming and rhythmic exercise will be given by the Pomplian Flower Girls, and after this the affair promises to be very picturesque. The public is invited to attend and a large crowd is expected. Tickets may be secured at Brown's Music store beginning Tuesday May 11.

The color scheme of lavender and yellow is to be carried out in the costumes and dances, and as a whole the affair promises to be very picturesque. The public is invited to attend and a large crowd is expected. Tickets may be secured at Brown's Music store beginning Tuesday May 11.

### NOTICE TO TAXPAYERS

The Collector's books show some personal taxes due and unpaid. It is the intention of the Collector's office to collect all personal taxes on the books. All persons owing personal taxes must pay same at once in order to avoid further costs.

### CONSERVATORY NOTES

Rehearsals for the comic opera, "The Mikado," are frequent and long in the last days preceding its performance, which takes place Thursday evening, the 13th of May, at the opera house. Owing to the fact that Mr. Harold Ray, who was to have sung the part of Nanki-Poo, will be absent from the city, Mr. Keep, head of the voice department has kindly consented to undertake the role, at short notice. His place as conductor will be taken by Mr. Munger.

At the preliminary contest, held Saturday morning in Recital hall, Miss Clara Smith won first place in piano and Mr. Gerald Gill in violin. Miss Lois Harney received first place in voice. They all appeared in the final contest Saturday evening May 8.

At the students' recital, given in Recital hall Saturday afternoon, May 8, the following program was performed:

Caprice (violin).....	Sturm
William Wilson	
Melodie (violin).....	Tours
Jeanette Conboy	
The Elvies (piano).....	Lemon
Ruth Roberts	
Soldiers' March (piano).....	Schumann
Serenade (piano).....	Rhode
Marguerite Pratt	
Thinking Bells (piano).....	Bugbee
Mary Bolman	
Swinging Roses (piano).....	Dellafield

### COMIC OPERA WILL BE GIVEN AT GRAND

On Thursday evening, May 13, this week, there will be presented at the Grand Opera House, with scenery and costume, the famous comic opera "The Mikado" by Gilbert and Sullivan. In saying that this opera was the most successful of all the operas collaborated on by these two, one is saying about all that can be said in praise of a work of this kind. "Pinafore," "Patience," "Iolanthe," "The Pirates of Penzance," "Ruddigore," "The Yeoman of the Guard," are only a few of the well-known comic operas of which Sullivan composed the music of Gilbert the libretto, and since their first production, way back in the nineties, they have been "revived" many times with a popular success second only to their first reception by an enthusiastic public. There are no comic operas in existence whose repeated hearings brings so little satiety as these English masterpieces, and we can only wonder, with each succeeding rehearsal of these remarkable scores, at the piquancy and melodiousness of the music and the delightful satire of the text.

"The Mikado" is, as one might infer from its title, a Japanese opera. At least the scene is laid in Japan, in the fictitious town of Titipu, and the personages of the drama are Japanese in costume. But they are far from being real Japs, for we see ourselves depicted in these various types and our foibles laid bare in this witty text. Gilbert gives us real human beings, not puppets, to act this humorous drama, while Sullivan frequently rises to grand opera heights in his music, fitting the words with almost uncanny fidelity.

The story runs somewhat as follows: Nanki-Poo is the son of the Mikado, disguised as a wandering minstrel, and a disguise adopted so that he may escape marriage with Katisha. He is in love with Yum-Yum, the ward and fiancée of Ko-Ko, Lord High Executioner who is in danger of losing his position unless he finds some one to behead within a month, and finally induces Nanki-Poo to submit to this capital punishment at the end of a month, on condition that he be allowed to marry Yum-Yum and have her with him for that month. The wedding plans are made, and at the opening of the second act, we find Yum-Yum preparing for the ceremony. Ko-Ko informs the bride, however, that it is the law that she be burned alive on the day of her husband's decapitation. Yum-Yum is much horrified, and Nanki-Poo swears that he will save her this awful fate by committing himself, the "happy dispatch," or hari kari. This would bring Ko-Ko into serious trouble, so he promises to swear falsely to the Mikado that he has already beheaded Nanki-Poo. Soon the Mikado himself arrives, and he is enraged with Ko-Ko for putting to death the heir to the throne, threatening terrible torture to the Executioner. Nanki-Poo appears here, opportunely, with his bride Yum-Yum and Ko-Ko saves his neck by marrying Katisha.

The entire cast is selected from the combined Glee Clubs and the faculty of the Conservatory. Mr. Harold Ray, tenor, was to have sung the role of Nanki-Poo, but is not able to be in Jacksonville this week, and Mr. Charles Keep, head of the voice department of the Conservatory, has graciously consented to sing the part, even though he had but ten days notice. Mr. Keep is thoroughly familiar with the score, having sung and played in the opera both in England and this country. His place as conductor will be taken by Mr. Edmund Munger, and the Conservatory Orchestra will furnish the accompaniment.

Following is the cast of principals: The Mikado of Japan, Mr. George Gunn; Nanki-Poo, (his son, disguised as a wandering minstrel, and in love with Yum-Yum) Mr. Charles Keep; Ko-Ko, (Lord High Executioner) Mr. Charles Capps; Poo-Bah (Lord High Everything Else), Mr. Robert Shoemaker; Pish Tush (a noble Lord) Mr. Carlyle Antrobus; Yum-Yum, (Pitt-Sing, Peep-Bo, (three sisters, wards of Ko-Ko) Misses Edna Hackett, Lorine Dewesse and Ethyl Hughes; Katisha (an elderly lady in love with Nanki-Poo) Miss Ruth Melba Armstrong. The chorus is made up of school girls, nobles, guards and coolies.

Tickets, with prices ranging from 50 cents to \$2.00, will be on sale at the Opera House from Monday, May 10 on. The performance will take place Thursday evening, May 13, at 8:15 o'clock.

### SOON TO OPEN

**SOUTH MAIN GARAGE**  
Recently Edward H. Ranson purchased at public sale the Stryker building on South Main street. Carpenters have been at work since that time putting the building into condition and Mr. Ranson will soon open a garage there. He will handle the Motor battery and will be well equipped to do all kinds of automobile work. Clarence Wolke, also a well known automobile mechanic, will be in his employ.

### CHURCH NOTICE

Westminster Presbyterian church, Dr. E. B. Landis will preach at 10:45 a. m. and 7:30 p. m. Sunday school at 9:30 a. m. W. J. Brady, superintendent. Classes for all. Christian Endeavor at 6:45 p. m. Prayer meeting at 7:30 Wednesday evening.

### CARD OF THANKS

We wish to thank the many friends and neighbors who assisted us so kindly during the illness and after death of our wife and daughter; also for the many beautiful flowers.  
Glen E. Skinner.  
Mrs. Ella Smith.  
We especially wish to thank the business men on Route No. 3 for their kind remembrance.

### ILL. COLLEGE NOTES

The Rev. W. E. Collins gave a very interesting talk to the students at chapel exercises Tuesday morning.

Miss Cheek, collegiate missionary secretary, came to Illinois College Monday in the interests of the Y. W. C. A. She gave a very helpful talk to the girls Monday afternoon at their Y. W. C. A. meeting. Miss Hilda Raetzmann, the guest of Miss Hilda Raetzmann during her visit in Jacksonville.

Mr. Ivan S. Rossiter, '23, will give the commencement address for the Manchester High school at their graduating exercises this year.

Miss Stolte, college Y. W. C. A. secretary of Illinois, spent several days in Jacksonville during the latter part of the week. The annual contest in freshman mathematics was held several days ago. Thirteen students entered the contest. The contest consisted of four rather difficult problems in college algebra and trigonometry and four hours were allowed for their solution. Lowell Andrew, of Palmyra, and Harold Billings, of White Hall, tied for first place.

Harold Rogers, of Litchfield, was a visitor on the campus Friday.

Miss Dorris Shuman, '20, has accepted a position as instructor of mathematics in the Charleston high school for the coming year. Catherine Carter, also of the class of '20, will teach English in the new Community high school at Roodhouse next year.

Miss Bessie Campbell, who completed her college work in January and has been teaching since then in the Alton high school, has received a very attractive offer from the newly organized Community high school at Perry, Ill.

Prof. George H. Scott, professor of mathematics at Illinois College, gave an interesting talk to the students of the Jacksonville high school at their assembly on Tuesday afternoon. He emphasized the importance of young people doing their preparatory work with careful attention to every side of life, physical, social, spiritual and mental. He spoke strongly, also, for the idea that every individual should have as a standard of his own very best possible, rather than to be satisfied with merely doing as well as somebody else.

The Sophomore contest in declamation has been set for Tuesday evening, May 18. Mrs. Jeannette Ogden, head of Academy Hall, and Miss Adelle McQuiston, librarian at Illinois College, spent a few days during the past week at the home of Miss Hilda Van Tuyle, of Roodhouse.

**FOR SALE**  
Monday 9 o'clock, Furniture and Household Articles. Miss Reynolds, 1405 West College Ave.

### HOME MADE RECIPE CATARRH AND COLDS

Nonexpensive—Cut This Out.

Thousands are making this be neficial remedy at home and any one who has catarrh or a cold can do the same.

Ask your druggist for three quarters of an ounce of Mentholized Arcline and pour it into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and snuff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat so clean and healthy that germs of flu or any other germs will have a hard time gaining a foothold.

**Senreco**  
—U. S. Pat. Off.—

is the dentrifice that contains the properties recommended as idea by United States Army dental surgeons

### WAS NERVOUS AND RUN DOWN

RESTORED TO NORMAL HEALTH BY BIO-FEREN

"I feel I owe you people a world of gratitude for the benefit I have received in using your wonderful remedy—Bio-feren Tablets, which have completely restored me to normal conditions," says Joseph E. Webb of Muncie, Indiana.

Bio-feren is without doubt the grandest and quickest remedy for nervous, run down, weak, anemic men and women ever offered direct through the druggists and is not at all expensive.

Take two after each meal and one at bed time, and after seven days take one after each meal and one at bed time until the supply is exhausted.

Then if you feel that any claim made in this special notice is untrue—if you are not in better health—if you do not feel ambitious, more vigorous and keen minded, yes, twice as much as you did before, the druggist who sold you the tablets will gladly hand you back just what you paid for them.

All druggists in this city and vicinity have a supply on hand, or can easily get it for you. "Seven days for seven days—Wonderful results."

FARM BUREAU NOTFS

**Demonstration Meetings.**  
The pruning and spraying demonstrations at the farms of Perry Henderson, west of Litchberry, and at Henry Eckhoff's north-west of Chapin will be given Monday, May 10 instead of Tuesday as previously announced. A visit to both farms Thursday indicates that the petals will likely not drop sufficiently in the case of apples to warrant beginning of the calyx spray, but the pruning part of the demonstration will be given regardless of weather. W. S. Brock of the College of Agriculture will get in to Jacksonville early enough to leave no uncertainty about his being on the ground. It may be news to some Morgan county residents to learn that there are several commercial orchards in this region northwest of Chapin.

**Road Improvement.**  
The north road between Franklin and Waverly has had two mud holes that have kept autoists both guessing and washing. On Wednesday, we saw a force of men laying tile along the road for the purpose of draining these spots. The move seems a most commendable one. A trip over this county will show a good many places that need just this sort of treatment. Perhaps some road districts may have done some work along that line, but this is the first we have actually seen under way.

**Pig Club Work.**  
Last fall C. R. Gibson of Franklin was elected president of the Morgan County Farmers' Institute. In a recent conversation Mr. Gibson expressed himself strongly in favor of starting pig club work in that community and having the pigs exhibited at the annual institute next October. We are pleased to find on the ground a local man who is interested in this project. We are sure the Farm Bureau and Breeders Association will get squarely behind the project. It may not be out of place to state at this time that Mr. Gibson was recently asked to meet with the executive committee of an Illinois county to consider a proposition for a three years contract as farm adviser. It is an open secret that he could have had the place, if he cared to take it, but decided to remain on the farm. These facts are given for the purpose of showing how fortunate that community is having some one to lead sheep shearing demonstration.

**Sheep Shearing Demonstration.**  
Sheep shearing is almost a lost art. We have asked the Colleges of Agriculture to find us a demonstrator with all the latest wrinkles of the professional shearer. We hope to get a demonstrator for two days. We think that sheep industry in Morgan county is worth boosting, but we must have people who can shear. If this project is to be worth while.

**Burnt Offerings.**  
Nearly every evening now one can see the horizon lit up in many places with the glow of burning corn stalks. While this practice is still all too common yet it is coming more and more unusual as farmers are learning the costliness of the practice. There has already been so much said and printed about the folly of burning cornstalks that there is actually a sentiment against it and the neighbors are apt to remonstrate nowadays.

Can you as either tenant or owner afford to burn off the stalks before plowing? Let us see what it means. There is only one excuse for it under the sun that is to make plowing and cultivation a little easier. There are two good reasons for not burning. The nitrogen alone con-

tained in the average acre of cornstalks is about 30 pounds. At the present market price of fertilizer it would cost at least \$10 per acre to replace the burned nitrogen alone. Then there is also some loss of humus or organic matter that the stalks would furnish. The decaying stalks plowed under improve the physical condition of the soil making it looser, easier to work and more retentive of moisture. Every owner who burns stalks could legitimately claim a deduction of \$10 per acre from his Federal income tax return for loss and depletion of fertility. I had the experience last year of being asked by a farmer sitting on his stalk rake, why the soil was standing on worked so hard and was so run together. It was not hard to find one big reason at least. Figure it all out and then ask—does it pay?

**Land Problems.**  
Earning capacity is undoubtedly the most important single factor in determining the selling price between lands located in the same general region and having about equal marketing facilities are due to a very large extent to differences in capacity for producing crops. In Illinois, e. g., somewhat common variations in the price of farm land ranged from \$50 to \$60 per acre to \$250 or \$300 per acre before the war. At the present time, prices range from \$70 to \$80 per acre to \$400 or \$500 and even higher in exceptional cases. All available studies show that these differences in the price of land correspond quite closely to the difference in earning capacity of such lands in various parts of the state. In spite of occasional exceptions these differences in the price of farm lands of different quality seem to follow quite closely the difference in earning capacity.

So far we have spoken of the relative prices of farm land that is, of the variation in quality or productive capacity. But on what basis is the price fixed for a given farm or for land of the same quality in a given region. That is, why does a certain grade of land in a given locality sell for \$100, \$300, or \$500 per acre?

Practically all studies of farm earnings show that the average farm business in ordinary times does not earn more than from 3 per cent to 4 per cent on the investment based on the current selling price of land. Another way of saying the same thing is that the price of farm land is determined by capitalizing the net earnings at the rate of 3 per cent or 4 per cent. That is the farmer is willing to bid the price of land up to the point where the net earning per acre will represent only 3 per cent or 4 per cent interest on the price paid per acre. To illustrate, if the net earnings of a certain grade of land are \$12 per acre. If the net earnings are capitalized at the rate to 3 per cent, the land will sell at \$400 per acre. If the net earnings are capitalized at 4 per cent, the land will sell at \$300 per acre. The amount which the prospective purchaser can pay for land depends upon how low a rate of interest he is willing or can afford to take on his investment. In the illustration just cited, if the prospective buyers could not afford to and were willing to take 2 per cent on his investment, he could afford to and were willing to take 2 per cent on his investment, he could pay \$600 per acre for his land. If he were borrowing all of the money at 6 per cent and had to pay the interest out of the net earnings he could pay only \$200 per acre for the land.

WAVERLY WOMAN  
WEDS IN ST. LOUIS

Miss Gertrude Miller Becomes Bride of F. W. Hensick, of Jonesburg, Mo. — Other Waverly News Items.

Waverly, Ill., May 8.—Miss Gertrude E. Miller, daughter of Mr. and Mrs. W. M. Miller, of this city, was married Sunday to Mr. Fred W. Hensick, of Jonesburg, Mo. The wedding took place in St. Louis, where they will reside.

Mrs. J. E. Hutchinson, of Springfield, Mo., is visiting her mother, Mrs. Jane Roliver.

Misses Mary and Phoebe Hall, of Morefield, Neb., are visiting at the home of their aunt, Mrs. Frank Jolly.

S. W. Burnett, who has been in St. John's hospital for several weeks as the result of a broken leg, has recovered sufficiently to return home.

Mr. and Mrs. D. E. Gibson, of Canon City, Colo., are visiting the former's brother, Thomas Gibson, and family.

Roland Allen left Thursday for Decatur, where he has accepted a position.

Mr. and Mrs. A. C. Moffet and Mr. and Mrs. J. F. Kennedy have gone on a land trip to Texas.

Miss Mary Mitchell has gone to Normal, where she will attend school.

Mrs. Homer Ranson and two sons returned to Jacksonville, after a few days' visit here.

**PUBLIC SALE**  
The Village of Lynnville will sell at public auction Saturday morning, May 15th the following property:

The building known as the "Village Hall," 140 folding chairs, 20 straight back chairs, stage curtains, coal stove and coal shed.

Sale starts at 10 o'clock. Chas. M. Strawn, Auctioneer.

If interested call Ill. 5809 or Bell 954-2.

VISITORS FROM CHICAGO.

Mr. and Mrs. Frederic N. Stevens of Chicago arrived in the city to spend Saturday and Sunday. Mr. Stevens, son of the late Fred A. Stevens of this city, is here to visit old friends and also to enjoy a few agreeable hours on the Stevens farm north of the city. It is now occupied by A. M. Hoover, who is carrying it on very successfully.

FRANKLIN YOUNG

PEOPLE TO GIVE PLAY

"Tempest and Sunshine" is the title of the play to be given by the young people of Sacred Heart parish in Marquette hall in Franklin next Thursday evening. The play is founded on Mary J. Holmes' celebrated novel. The cast has been well chosen and faithful work has been done and an entertainment of real worth is promised. Between the acts a program of instrumental music will be given. In addition the K. C. quartette from Jacksonville will give selections and altogether the entertainment will be well worth while. A number of Jacksonville people are planning to drive to Franklin to attend.

**PRE WAR PRICES**

Tallula															

Virginia high school with a well balanced team, won the Twenty-first annual Western Illinois high school league meet on Illinois field Saturday afternoon, with a total of 35 points.

Virginia fought it out with Waverly thruout the afternoon and it was anybody's meet until near the close. Then Virginia forged to the front and stayed there until the final finish.

It was an ideal day for the meet. In fact, it has been several years since weather conditions were so favorable. However, with the exception of Virginia, Waverly and White Hall, none of the men seemed to be in the best of shape. The bad weather also had its effect on the track. It has been impossible for the track to be worked and it was not in as good condition as usual.

Jacksonville tied with White Hall for third honors, each team totaling 26 points. The locals did not seem to have the class with the exception of Lucas, Molohon and Douglas.

These men scored all of Jacksonville's points. With some help from other members of the team in winning places, the locals might have copied the honors.

Lucas won both of the hurdle events. He outclassed his opponents in the high hurdles and if he had been pushed, probably could have set a new mark for the event or at least tied the record. He also finished in easy fashion in the 220 hurdles. That effort exhausted him, and he failed to place in the 220 dash, which followed.

Douglas furnished the real thrill of the afternoon, when he beat Bauer, of White Hall, at the tape in the half-mile run. Bauer took the lead and held it thruout. Douglas came fast at the finish and by a wonderful burst of speed nosed out Bauer. Douglas also finished third in the mile, and many were of the opinion that had he run a different race in the mile he would have won that.

Molohon was entered in three field events and was a point maker in every one of them. He won the shot put, finished second in the discus and fourth in the javelin.

The events were not carded as advantageously as they might have been. Toward the close of the track events the 220 hurdles and the 220 dash both trials and finals fell all in a bunch. This resulted in the officials having to wait to give the men a chance to recuperate.

In spite of this fact, Coach Harmon and his assistants ran the meet off in good style. There was but little friction and but few complaints during the afternoon. The contestants were sportsmanlike in their actions and the twenty-first annual Western Illinois was one of the most successful in the history of the organization.

In the relay Waverly finished

first, Beardstown second, Petersburg third and Virginia fourth.

**Summaries**  
Shot put—Molohon, Jacksonville, first; Evans, Winchester, second; W. Knight, Waverly, third. Distance, 42 feet 11.3-4 inches.

50 yard dash, first heat—W. Knight, Waverly, first; W. Taylor, Virginia, second; Fouch, Petersburg, third. Time, 5 2-5 seconds.

50 yard dash, second heat—Gilmore, White Hall, first; Mills, Waverly, second; Heinz, Beardstown, third. Time 5 2-5 seconds.

50 yard dash, third heat—A. Peterson, Beardstown, first; Cosner, Ashland, second; Boyd, White Hall, third. Time, 5 4-5 seconds.

120 yard hurdles, first heat—Lucas, Jacksonville, first; Hubbs, White Hall, second; Jarrett, Waverly, third. Time 18 seconds.

120 yard hurdles, second heat—Begg, Ashland, first; Critchfield, Waverly, second; Stevens, Beardstown, third. Time 23 seconds.

Pole vault—Cooper, Beardstown, first; Skiles, Virginia, second; Newell, Ashland, third; Co-hagan, Winchester, fourth. Height, 10 feet 3 inches.

50 yard dash, final—Knight, Waverly, first; W. Taylor, Virginia, second; Peterson, Beardstown, third. Time, 5 4-5 seconds.

Discus—W. Knight, Waverly, first; Molohon, Jacksonville, second; Meade, Virginia, third; Co-hagan, Winchester, fourth. Distance, 101 feet.

Mile run—Armstrong, Virginia, first; Crum, Waverly, second; Douglas, Jacksonville, third; Heinz, Beardstown, fourth. Time, 5 minutes 2 seconds.

Running broad jump—Crum, Waverly, first; Ogilvie, Beardstown, second; Robley, White Hall, third; Ranes, Ashland, fourth. Distance, 18 feet 9 3/4 inches.

100 yard dash, first heat—Gilmore, White Hall, first; Cosner, Ashland, second; Bryan, Waverly, third. Time, 11 1-5 second.

100 yard dash, second heat—A. Peterson, Beardstown, first; Wardell, Virginia, second; Boyd, White Hall, third. Time, 11 1-5 second.

100 yard dash, third heat—Hughes, Waverly, first; W. Taylor, Virginia, second; Guinan, Petersburg, third. Time, 11 seconds.

120 yard high hurdles, final—Lucas, Jacksonville, first; Hubbs, White Hall, second; Jarrett, Waverly, third; Critchfield, Waverly, fourth. Time, 17 3-5 seconds.

440 yard dash—Campbell, White Hall, first; Cosner, Ashland, second; Andrews, Beardstown, third; Critchfield, Waverly, fourth. Time, 5 5-5 seconds.

220 yard hurdles, first heat—Hubbs, White Hall, first; Reep, Petersburg, second; Gill, Virginia, third. Time, 30 2-5 seconds.

220 yard hurdles, second heat—Lucas, Jacksonville, first;

Beggs, Ashland, second; Jarrett, Waverly, third. Time, 31 seconds.

100 yard dash, final—W. Taylor, Virginia, first; Gilmore, White Hall, second; Hughes, Waverly, third; A. Peterson, Beardstown, fourth. Time, 10 4-5 seconds.

Javelin—Meade, Virginia, first; Skiles, Virginia, second; Goode, White Hall, third; Molohon, Jacksonville, fourth. Distance, 145 feet 2 1/2 inches.

220 yard hurdles, final—Lucas, Jacksonville, first; Wankel, Virginia, second; Hubbs, White Hall, third; Reep, Petersburg, fourth. Time, 29 2-5 seconds.

Running high jump—Cooper, Beardstown, first; Skiles, Virginia, second; Greer, White Hall, third; Redfern, Waverly, fourth. Height, 5 feet 2 1/2 inches.

220 yard dash, first heat—Cosner, Ashland, first; Peters, Beardstown, second; Bryan, Waverly, third. Time, 26 seconds.

220 yard dash, second heat—Campbell, White Hall, first; Wardell, Virginia, second; Hughes, Waverly, third. Time, 26 seconds.

220 yard dash, third heat—Taylor, Virginia, first; Bryan, White Hall, second. Time, 24-4 5 seconds.

Half mile run—Douglas, Jacksonville, first; Bauer, White Hall, second; Crum, Waverly, fourth; Ogilvie, Beardstown, fourth. Time, 2:15 2-5.

220 yard dash, final—Peters, Beardstown, first; W. Taylor, Virginia, second; Cosner, Ashland, third; Campbell, White Hall, fourth. Time, 25 seconds.

**CHICAGO PITCHERS EASY FOR CLEVELAND**  
Indians Take Game From White Sox by Score of 10 to 6—Other Major League Results For Saturday.

Chicago, May 8.—Chicago pitchers were unable to stop Cleveland today and the visitors won 10 to 6. Faber was driven off the mound in the sixth while Kerr was forced to retire in the next. Myers worked in fine form until the seventh when he was replaced by Niehaus. Score: C'land, 200 110 501—10 16 2 Chi. 010 000 203—6 8 2

Batteries—Myers, Niehaus and O'Neill; Faber, Kerr, Payne, Lowdermilk and Schaff.

**Detroit Wins From Browns.**  
Detroit, May 8.—Timely hitting and two bases on balls enabled Detroit to score four runs in the seventh and beat St. Louis 5 to 4 today. Dauss was hit hard by St. Louis but tight infield playing by the Tigers kept the visitors from overcoming Detroit's one run lead.

St. L. .010 003 000—4 12 2 Detroit .000 010 40X—5 5 1 Batteries—Burwell and Severeid; Dauss and Stange.

**Cubs Defeat Pirates.**  
Pittsburgh, May 8.—Chicago defeated Pittsburgh today 4 to 1 but not until Vaughn tripled in the ninth with the bases full and the score 1 to 1. Killifer was put out of the game by Umpire Emslie for protesting the decision which allowed the Pittsburgh run. Score: Chi. .010 000 003—4 7 2 Pitts. .000 001 000—1 5 0

Batteries—Vaughn and Killifer, O'Farrell; Hamilton and Schmidt.

**Senators Blank Yanks.**  
Washington, May 8.—Washington made it three straight from New York by winning today's game 3 to 0. Judge of the locals continued his hitting streak and Ellerbe and Shannon, his teammates, fielded in top form. Score by innings: N. York 000 000 000—0 5 1 Wash. .020 100 00X—3 10 0

Collins and Ruel; Zachary and Gharriy.

**Cards and Reds Play 11 Innings.**  
St. Louis, May 8.—St. Louis defeated Cincinnati 5 to 4 in an eleven inning game today. The winning run was scored on two singles and a long fly by Roush. Manager Moran of the champions was sent to the clubhouse in the eleventh by Umpire Riegler for arguing. Score: St. Louis .000 020 011 01—5 7 3 Cin'nati .100 100 002 00—4 9 2

St. L. .000 020 011 01—5 7 3 Batteries—Ring and Hardien; Schupp, Jacobs and Clemens.

**INDEES WILL PLAY PRACTICE GAME TODAY**  
Team Will Work Out at New Park — Manager Smith Expects to Have Grounds Ready for Opening Game Next Sunday.

Manager Frank Smith announced last night that the Indees would take a work-out at the new park this afternoon. The men have been working on the State hospital grounds and are getting into shape. If good weather holds this week the team should be in fairly good shape for the opener.

Ed. Christopher has been appointed captain of the team for the season. Christopher has plenty of "pep," and is always there fighting for all that is coming. He should make a good leader.

A number of men have been working out with the vets and have shown good form. They will be given every chance to make good. Smith says he is out to give local fans a winning team. The men who show the best will be the ones to get the jobs, and no favorites will be played.

Men desiring the correct style hat in the proper color at the right price will be sure to find it at

FRANK BYRNS' Hat Store.

Local Council Will Hold Initiation May 30—Membership Will Soon Reach 600—Banquet Will Follow Work.

Jacksonville Council No. 686 Knights of Columbus is planning for a class initiation which will be held Sunday, May 30. The date originally was set for May 16, but owing to inability to complete arrangements the later date was fixed.

For several weeks the membership committee with Thomas Duffner as chairman has been securing applications. Indications are that the class will number between seventy five and one hundred. The candidates will come from surrounding towns as well as from Jacksonville.

The first and second degrees will be conferred by the degree staff of the local council while a team from some other city will confer the third degree. John W. Clary is chairman of the committee to secure this team. He is in communication with East St. Louis, Decatur and Chicago and the team will come from one of these cities.

The initiation will occupy all of the afternoon. A banquet will follow which will be served in the banquet hall of the Knights on East State street.

Jacksonville Council now has 540 members. It is expected that after the receiving of this class that the membership will be over 600. This will make the local council one of the largest in the state.

## GOOD MULE PRICES

August Brockhouse, of Chapin, sold James Hanrahan of New Berlin a team of yellow, seven year old mules for \$650. Arthur Brockhouse has a mule team for which he has refused \$750 as he needs them badly for his spring work.

## PATIENT AT NEW HOME SANITARIUM

Hon. S. B. Lucas, of Chicago, of Chicago, a member of the state legislature, recently submitted to an operation at the New Home Sanitarium. He is now able to be up and expects to attend the Republican state convention in Springfield tomorrow.

## HEBRON MISSIONARY SOCIETY

The monthly meeting of Hebron Auxiliary of W. A. M. S. was held at the home of Mr. and Mrs. Charles Bealme Tuesday afternoon, May 4th.

## S. S. CONTEST AT BLUFFS SATURDAY

Winchester Young Woman Wins Honors at Sunday School Convention Contest—Other Winchester News Notes.

Winchester, May 8.—The Scott county Sunday school convention opened at Bluffs Saturday and will continue thru Sunday. The declamatory contest of the convention was held Saturday evening in the M. E. Church at Bluffs. The program, including eight declamations, was as follows:

March—Ray Hamilton.

Invocation—Rev. Mr. Reese.

Solo—Miss Margaret Green, Naples.

Duet—Miss Reese and Mrs. Corbridge, Bluffs.

Solo—Miss Lulu Hatfield, Naples.

Duet—Miss Nora Abrams, Mrs. Savoie, Naples.

Solo—Miss Reese, Bluffs.

Selection—Young ladies' quartet, Naples: Mrs. Savoie, Misses Abrams, Hatfield and Green.

Award the honors to Miss Helen Kinison, Winchester.

The contestants were Miss Maude Rogers, Bluffs M. E. church; Miss Kathleen Oehler, Winchester Christian church; Miss Grace Matthews, Exeter M. E. church; Russell Arundel, Bluffs M. E. church; Miss Gladys Cannon, Naples M. E. church; Freeman Grant, Manchester; Miss Zella Mueller, Bluffs Lutheran church; Miss Helen Kinison, Winchester Baptist church.

Miss Frances Coultas left Saturday night for Sioux City, Iowa, for an extended visit with friends.

Miss Josephine Maloney, who has been ill with measles for the past few days, was able to be down town for the first time Saturday. Winchester was well represented in Jacksonville Saturday. A large number of citizens accompanied the band and the high school pupils.

## Social Events

### Entertained Friends

Miss Margaret Curtis entertained a company of young friends Friday evening at the home of Mrs. Robert Mutch, on West College avenue.

After a pleasant time enjoyed at games and dancing a dainty lunch was served.

### Celebrated Her 94th Birthday.

Mrs. Margaret Ricks lovingly called "Grandma Ricks" by many friends, celebrated her 94th birthday Saturday, May 8.

Mrs. Ricks has been confined to her bed for more than five years, but is always sweet and patient, bright and cheerful, and it is a benediction to those who visit her to look into the sweet old face.

Mrs. Ricks had many callers bringing gifts and good wishes. Three of her children are living.

—John Ricks, Mrs. Fred Batz and Mrs. Katie Klotz with whom she makes her home and where she receives every loving care and attention.

### Agora Society

Gives Progressive Dinner

The Agora Society of Illinois College gave a dinner dance last evening. The affair was a progressive one, each course being served at a different home. Twenty-two couples were present.

The first course was served at the home of President Rammelkamp. The second course was served at Miss Anne McCormick's and Frank Irvin's half of merry-makers going to each home.

The salad course was served at Geo. A. Taylor's on Mound avenue and from there the company walked to John Marshall's on Webster avenue, where dessert was served.

After this the president of the society, Miss Hazel McCormick, acted as toastmistress and announced a second banquet in the form of toasts. These four courses were served by Mattie Reische, John Martin, Miss McQuiston and Carlyle Antrobus.

The evening's merrymaking was concluded by dancing. Each home was prettily decorated in spring flowers for the occasion. This is the Agora's first social affair and the girls are hoping that it is the prophecy of many more in the ensuing years.

### Birthday Party For Viola

May and Ruth Eileen Leffler.

Mrs. J. W. Leffler entertained a number of the friends of her daughters Viola May and Ruth Eileen at a birthday party at her home yesterday afternoon.

The time was spent playing games, after which the hostess served refreshments.

Miss Ruth McDonald read the following poem which was written by the mother for the occasion.

Though your years now are tender and few

But old Father Time never fails to come,

May he bring with each succeeding year

A noble life your mother wishes her little ones.

Childhood seems ne'er ending

'Till you glide into a later year,

And glance from a long sought mortal

Back to childhood with a tear.

May you always cherish the memory

Of the time that is gliding fast,

So help each day to unfold your lives

To a better day than the one that is past.

Those present were: Clara Bell and Isabelle Cully, Russell and Glen Carwell, Norma, Hazel, Helen, Francis, and Clara Strickler, and Farrell McDonald.

IS HOME FOR VISIT

Miss Bernadine Trahey, who is studying nursing at St. Mary's hospital in Cairo, is spending a few days at the home of her parents, Mr. and Mrs. James Trahey, of Hardin avenue.

## JAMES C. ELLIOTT MARRIED IN MISSOURI

Was United in Marriage to Miss Dorothy Sherman at Chillicothe Saturday Morning—Will Reside in This City.

The marriage of James Clay Elliott of Jacksonville and Miss Dorothy Sherman of Chillicothe, Missouri, was solemnized Saturday morning at 10:00 o'clock in the Grace Episcopal church in Chillicothe by Rev. E. H. Merriman.

Mrs. E. H. Merriman, sister of the bride, was matron of honor and the best man was L. E. Johnston, brother-in-law of the groom. The bride was given away by her father, S. B. Sherman. She was dressed in a gown of brown crepe meteor and wore Othello roses.

The ushers were Richmond C. Coburn and Flavel P. Girdner.

Mr. and Mrs. J. A. Elliott, Miss Jennie Elliott, Mr. and Mrs. L. E. Johnston and two children from Jacksonville attended the wedding. Other guests from a distance were: Mrs. Andrew Leeper of Kansas City, Mrs. Vincent of Spokane, and Mrs. Darlington of El Paso.

Immediately after the ceremony the company attended a reception at the home of the bride, after which the bride and groom and L. E. Johnston returned to Jacksonville. The other guests remained for a dinner Saturday evening.

Mrs. Elliott attended the Kansas City School of Ballet and the Rockford Art Guild at Rockford. She was for some time a member of the faculty of the Kiehl School at Rockford, and is a young woman of broad culture.

Mr. Elliott graduated in 1916 from Illinois college and went into business with his father, J. A. Elliott for a time, and then went to Washington as secretary of the Rating Committee of the Priority Board of the Council of National Defense. When Mr. Elliott's number was called in the draft he reported and went to France as a member of the 113th Engineers, although he was exempted on account of the government position which he held. On his return he again became associated in business with his father.

## Clubs and Societies

Fortnightly will hold its last regular meeting at the home of Miss Morey, 220 Caldwell street, on May 13.

The Service Star Legion will entertain the gold star mothers Tuesday afternoon at Mrs. C. H. Smith, 220 Westminster street. An interesting program has been prepared and refreshments will be served. All members are requested to be present.

The Free Kindergarten Board will meet Monday at 3 o'clock at the Public Library. A full attendance of members is urged, as there is important business.

Orleans Woman's Country Club will meet Tuesday afternoon at 2:30, at Alexander, with Mrs. J. T. Little.

The Pastor's Aid society of Grace church will hold the regular business meeting in the church parlors Tuesday afternoon at 3 o'clock.

The Ladies Aid Society of Brooklyn church will meet with Mrs. John Kastrup, 810 South West street Wednesday afternoon at 2:30. The hostesses will be Mesdames Kastrup, Boruff and Hirsch.

The Missionary Society of State Street church will meet with Mrs. Harry Brady, 1153 W. State street, Tuesday, May 11 at 3 p. m. Mrs. J. W. Brown, leader, Miss Marie Fairbank of Rhodes Memorial library and Miss Mary Case of the City Library will have the program in charge.

## FAVORITE LODGE IN SPECIAL SESSION

Confers Second and Third Ranks Saturday Evening—Refreshments and Social Hour Follow Work.

Favorite Lodge No. 376 Knights of Pythias held a special session Saturday evening at which time the second and third ranks were conferred.

Edward D. Antrobus and Ratto S. McKinney of Chapin were the candidates. The work was witnessed by a large number of members and the meeting was one of the best and most enthusiastic that has been held in recent months.

George E. Case of Princeton was a visitor. The Knights of Pythias quartet also favored the lodge with several selections. A social hour and refreshments followed the work.

## Deaths

### Walters.

Mrs. Belle Seymour of 323 N. Clay avenue was called to Hull, Pike county, Illinois by the death of her brother-in-law, Joseph Walters which occurred Thursday. Several years ago he lived in Jacksonville following the occupation of blacksmith. He was 78 years of age, had served in the war, enlisting August 13, 1862 at Fairfield, Wayne county, Illinois in Co. D, 87th Illinois, Second Division, Army Corps. Discharged June 17, 1865. He leaves a wife, three sons, one daughter, several grandchildren, two great grandchildren.

He united with the Methodist church several years ago and has lived an earnest Christian life. Funeral will be held at his late home Saturday 2 p. m. Walter Hinsley will also attend the funeral.

## With the Sick

John Hall of Springfield was in the city to take home his wife who has been a patient at Our Savior's hospital.

## HOUSING PROBLEM IN PHILIPPINES

Acute Situation Exists in Islands—Law to Protect Poor People From Excessive Rent Charges Needed.

Manila, P. I.—Neither the United States nor Europe has a monopoly of the housing problem for it is acute here as well. So serious has the dispute between landlords and tenants come in the Philippines that the governor general, Francis Burton Harrison, has called the attention of the legislature to the need of enacting laws to protect the poorer people from excessive charges for rent. Mr. Harrison in a message to the legislature recommended legislation giving the judges of the lower courts the right to say how much rent shall be paid in cases where ten-

ants make complaints. The governor asserted that "acrimonious disputes are now in progress between landlords and tenants in many localities of the Philippines. One method proposed in the legislature to solve the housing problem in the city of Manila is to appropriate \$500,000 for the erection of four large apartment houses each to contain 250 rooms. Eighty percent of the rents from these buildings would be deposited with the government and used as it accumulates for the construction of additional buildings.

### NOTICE

Poll tax of District No. 2, Morgan county is due. Must be paid by June 7th.  
W. W. Young, Com.  
George Aton was up to the city from Alsey yesterday.

## PLEASANT SOCIAL EVENTS IN CHAPIN

Mrs. Neinhauer and Mrs. Elmer Sidles Entertain For Miss Olen—Gleaners Class Meets—Other News Notes.

Chapin, May 7.—Mrs. Ernest Neinhauer and Mrs. Elmer Sidles entertained on Tuesday afternoon at the home of Mrs. Neinhauer in honor of Miss Gertrude Olen. The ladies were invited to bring a thimble and needle and the afternoon was spent making useful kitchen articles for the bride-to-be. The guest of honor was the recipient of a Pirex dish from the hostesses. Delicious refreshments were served in the latter part of the afternoon. The event was one of much pleasure.

The Gleaners Sunday school class held its regular meeting Tuesday afternoon at the home of Mrs. William Brownlow. There were eleven members present. After a short devotional period the business meeting followed. It was decided to give \$25 to the Interchurch movement and also to buy a blackboard for the Sunday school. The Gleaners are soon going to take up the study of the teachers training course. The next meeting will be held with Mrs. R. D. Omer, June 1.

Mr. and Mrs. Joseph Baldwin were shopping in Springfield Tuesday.

Mr. and Mrs. Arthur Burrus visited at the home of Mr. and Mrs. Howard Tucker Sunday.

Mrs. Lydia Monnette returned to her home in Indiana Sunday night.

Aileen Omer will attend the Jollies in Springfield Thursday night.

Newton Hardwick's brother and his wife from Moberly, Mo., are visiting at his home.

The second division of the Woman's club will hold a market at the post office on Saturday, May 8.

Mrs. Sylvia Smith of Jacksonville visited her parents, Mr. and Mrs. Robert Bridgman the first of the week.

Norine Simpson visited her parents Monday afternoon.

Donald Duckett went to Beardstown Tuesday noon on business.

Mrs. Stanley of Iowa visited friends here Wednesday night on her way to Mr. Sterling to visit her sister.

## MASHUDS TAUGHT SEVERE LESSON

Bambay—Mashuds, tribesmen on the Abyssinian border, who during the frontier campaign, repeatedly desecrated graves in which British soldiers had been buried have just been taught a severe lesson that will make them very chary of meddling with the dead in future.

A trap was set for them. A grave was fixed up which was made to appear that it contained the corpse of a British officer. It contained something much more deadly in the shape of gun cotton and other explosives.

Six Mashuds started to open the supposed grave. Five of them were blown to pieces. The sixth had just enough life left in him when discovered to tell what happened.

## TOO WEAK TO DO ANYTHING

A Serious Feminine Illness Remedied By Lydia E. Pinkham's Vegetable Compound.

Casco, Wis.—"After the birth of each of my children I had displacement and was so weak I couldn't do anything. I found a book about Lydia E. Pinkham's Vegetable Compound, so I thought I would try it, and after taking it I soon felt better. That was fifteen years ago and I have felt well ever since except that I had a slight attack of the trouble some time ago and took some more of your Compound and was soon all right again. I always recommend your medicine and you may publish my testimonial for the benefit of other women."

Mrs. JULES DEBO, Jr., R. 1, Box 99, Casco, Wis.

Lydia E. Pinkham's Vegetable Compound holds the record of being the most successful remedy for female ills in this country.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

DAMAGE CAUSED  
BY COAL SHORTAGEDrainage District Pumping Station  
in Greene County Ex-  
hausts Coal Supply—Damage  
Done Before Coal Can Be De-  
livered—White Hall News  
Notes.White Hall, May 7.—Ira Way  
and bride have departed for their  
future home in Alton, after  
spending since Tuesday with her  
parents, Mr. and Mrs. George  
Sweetin. The couple were mar-  
ried at Carrollton Tuesday by  
Squire Roberts at his home, being  
accompanied by Miss Bessie  
Sweetin, sister of the bride, and  
Lawrence Fulton. They returned  
to White Hall immediately fol-  
lowing the ceremony. The groom  
is associated with his father in  
the grocery business at Alton.The marriage of Ebert Smith  
and Miss Sophia Norris took  
place at Jacksonville at 2 p. m.  
Tuesday, and the couple have re-  
turned to White Hall to make  
their home for the present with  
his parents, Mr. and Mrs. A. E.  
Smith. The bride is the daughter  
of John Norris of Greenfield. The  
groom is employed at the sewer  
pipe works.A daughter, first child, was  
born to Mr. and Mrs. Don Wyatt  
Wednesday.Mrs. J. F. Sherwin has been  
placed in a hospital at St. Louis  
for treatment for a heart affec-  
tion.C. J. Moynihan of Montrose,  
Colorado, is one of the delegates  
from that state to the republican  
national convention at Chicago in  
June. He will leave his family  
with his father, John J. Moyni-  
han, at White Hall while the  
convention is in session. Mr.  
Moynihan is a protégé of Con-  
gressman McKinley of Illinois,  
now a candidate for senator, and  
what the congressman has done  
for this White Hall boy, while  
little generally known, makes  
him solid with the local voting  
population. C. J. Moynihan is  
frequently mentioned in connec-  
tion with the governorship of  
Colorado.The pumping station of the  
Eldred drainage district ceased  
operations Wednesday because of  
running out of coal, and a sup-  
ply was rushed there today by  
the C. & A., being delivered at  
Titus station. The Eldred dis-  
trict separates the Fairbanks and  
the Nutwood districts, the latter  
located in Jersey county. The  
seepage water filled the drainage  
ditches and was well covering  
the wheat fields before pumping  
operations were resumed. The  
additional steam unit at the Hill-  
view drainage station is effect-  
ually keeping the water off that  
territory. The Hillview station is  
now the largest in the Illinois  
valley, and a description of it will  
be available in a short time.

## COLLEGE OF MUSIC I. W. C.

Selected pupils from Miss Hay's  
class in piano will present their  
annual program in Music Hall,  
Thursday afternoon, May 13th,  
at 4:15 o'clock. The public is

PAIGE

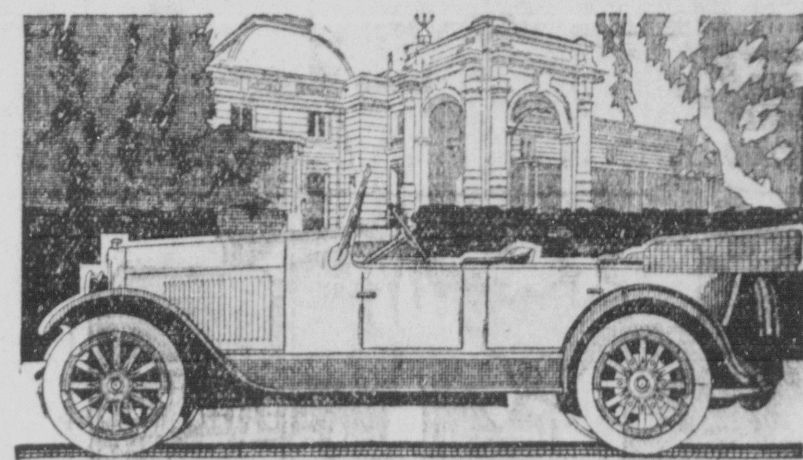

The Most Beautiful  
Car in AmericaIt is today undeniably one of the major pleasures of  
life to possess a truly fine motor car.And this, more than anything else, we believe, accounts  
for the steadily growing demand for the Paige Six-55.The fineness of the seven-passenger Paige is readily ob-  
servable. It is apparent not only in the car's outward  
beauty and interior comfort but also in its outstanding  
sturdiness and general mechanical excellence. It is a fine-  
ness which prevails uniformly in every feature that  
distinguishes a car as being of the finer type.And yet, contrary perhaps to the general opinion concerning  
cars of its size, the Paige Six-55 is entirely free from extrava-  
gance. Its upkeep is quite as moderate as its original cost.If you desire a really fine motor car—a car which gives  
complete satisfaction in every respect—do not overlook  
seeing the seven-passenger Paige.

L. F. O'DONNELL, Distributor

The Car Problem is "Gas"

HOW

CHALMERS

SOLVES IT

GASOLINE is steadily going  
down in grade. Motor  
car engineers are much  
concerned. Some have found a  
remedy by accepting the Chal-  
mers principle of Hot Spot and  
Ram's-horn.For this principle has supplied  
the answer to the problem of  
"gas."Hot Spot transforms the raw,  
inferior "gas" into a fine fuel, sim-  
ply by "breaking up" the particles  
into a "cloud."Ram's-horn, minus abrupt  
sharp corners, short in length and  
ingeniously designed, makes the  
distance "gas" travels from Hot  
Spot to each cylinder equal.

At a velocity estimated at 100

miles an hour the "gas cloud" is  
rushed through Ram's-horn and  
the results are marked:

Quick starting  
Power  
Smooth action  
Spark plugs seldom foul  
Absence of engine troubles  
such as burned bearings and  
scored cylinders.

The sum of results from Hot  
Spot and Ram's-horn looms large  
in your mind once you become  
a Chalmers owner  
and you, too, will  
say Chalmers is  
one of the few  
great cars of the  
world.

Baptist Chapel—Services at Baptist Chapel, corner Ashland avenue and Farrel street. Bible school at 2:30 p. m. If you believe in the Gospel of Jesus Christ and haven't service to attend, come and worship with us. W. J. Boston, Leader.

Salem Evangelical Lutheran church, East College street. Rev. J. G. Kuppler, pastor. Sunday school at 9:30 a. m. Public worship in German at 10:30 a. m. and in English at 7:30 p. m. Evening subject, "Swearing." Next Thursday as on Ascension Day there will be divine services in German at 10:30 a. m. and in English at 7:30 p. m. The Ladies' Guild will meet with Mrs. Perbix, April 20. A hearty welcome to all services.

Grace Methodist Episcopal Church—Thomas H. Tuill, pastor. 6:30 a. m., Sunday school, T. V. Horner, superintendent. 10:45 a. m., morning worship. Theme of sermon, "Remembering Mother." 6:30 p. m., Junior and Epworth League, Anniversary meeting. Light luncheon served at 6 o'clock. All friends and members of the Epworth League invited. Every one pleased with the fine attendance and interest in last few weeks. 7:30, evening worship. Theme of sermon, "What Shall I Do With Jesus?" May meeting of official board on Monday evening at 7:30. Membership rally and reception to new members on Wednesday evening. Supper at 6 o'clock.

First Baptist Church—A. A. Todd, pastor. Bible school 9:30 a. m. Supt. Carl Weber. Chapel Sunday school at 2:30 p. m. Leader, Wm. Boston. Monthly communion service 10:45 a. m. Sermon: "The Vicarious Sufferings of Christ." Evening sermon at 7:30. Subject: "The Profitableness of Godliness." Junior Union 3 p. m. Leader, Mrs. J. P. Brown. B. Y. P. U. 6:30 p. m. Topic, "Cultivating High Ideals." Mid-week service Wednesday 7:30 p. m. Special call meeting of church cabinet. Monday 7:30 p. m. All members of the cabinet urged to attend, so that arrangements for the complete canvass can be made.

Trinity Episcopal Church—J. F. Langton, rector. Prof. J. G. Ames, Sunday school superintendent. Fifth Sunday after Easter. Early service 7:30. Sunday School 9:30. Morning prayer and sermon 10:45. Tuesday—Guild will meet at 2 o'clock. Thursday—Ascension Day. Holy communion 7:30. Holy Communion 10:00.

Central Christian Church—M. L. Pontius, minister. Bible school at the usual hour, 9:30. C. L. Mathis, Supt. Morning worship at 10:45. "The Christian's Heritage" will be the subject of the sermon of the morning. Evening worship at 7:30 with sermon on the theme "Will there be a Day of Judgment?" Music by the chorus-choir under Prof. Keep's direction. 6:30 is the hour for the Endeavor services in the evening. C. F. Ehrie will lead the Senior C. E. Miss Dorothy Green the Intermediate and Miss Alice Copp the Junior. You will be welcome at any and all of these services of the day.

The Congregational Church of Jacksonville will observe Mothers' Day tomorrow. The church school opens at 9:30 for the study of the Bible. At 10:45 morning worship, subject of sermon, "The Faith That Makes America Great." Young People's talk, "Souvenirs." Special music for Mother's Day. At 3:30 Junior Christian Endeavor, leader Abbie Lee Young; Intermediate Endeavor at 6:30; evening service, 7:30, subject of address "The World's Last Enemy." This church heartily co-operates with all agencies that are working for the promotion of righteousness in this community.

State Street Presbyterian Church—W. H. Marbach, pastor. T. M. Tomlinson, Sunday school supt., Mrs. W. Berr Brown, choir leader. Honor your Mother by attending church and Sunday school on this Sunday which is nationally known as "Mother's Day." Unless you have found something superior to your mother's religion and your mother's church you cannot afford to neglect what was dear to her. If this is the church of your choice join us in the work and worship of the day. He that is not with the church is against it. Our invitation to you is to line up with the forces of real construction in making this world a better place in which to live. Services at the usual hours. Welcome.

Northminster Presbyterian Church—Walter E. Spooner, minister. Preaching at 10:45 a. m. and 7:30 p. m. This is Mother's day and everybody ought to attend services somewhere in honor of mother. Wear a white flower for mother gone, a colored one for mother living. The subject for the morning sermon will be "Men's Mothers." "Son, Behold Thy Mother." The evening subject: "One in Ten." The Sunday school has prepared a splendid program in honor of mother and Mr. Bieber, the superintendent, extends a hearty invitation to all to attend Sunday school and enjoy this program by the children. Christian Endeavor at 6:30 p. m. Miss Frances Frank's class will give an ice cream social next Wednesday evening after

prayer meeting. Everybody invited. Prayer meeting Wednesday night at 7:30 o'clock. A hearty welcome at Northminster.

Westminster Presbyterian Church—Dr. E. B. Landis will preach at 10:45 a. m. and 7:30 p. m. Sunday school at 9:30 a. m. W. J. Brady, superintendent. Classes for all. Christian Endeavor at 6:45 p. m. Prayer meeting at 7:30 Wednesday evening.

McCabe M. E. Church, Cox street—Sunday is the first quarterly meeting of this conference year. Services will be held all day. Rev. W. J. DeBoe of St. Louis will conduct the services in absence of the pastor who is attending General conference at Des Moines. Communion services at 3:15 p. m. Other services at 11 a. m. and 8 p. m. All are welcome.

Mt. Emory Baptist Church—E. A. Crockett, pastor. The services will be as usual today. At 11 a. m. the pastor will deliver a special sermon to mothers and fathers. 2:30 p. m. Sunday school. 6:30 p. m. B. Y. P. U. 8:00 sermon by pastor. Good music. Everybody welcome.

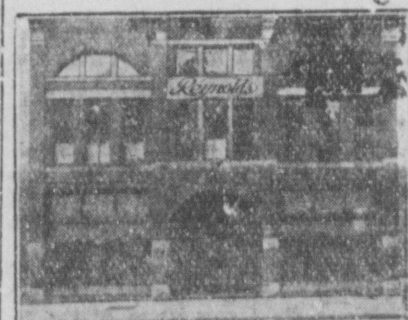

THE NEW PENSION RATE  
The Journal has been requested to give more particulars regarding the recent Civil War veterans' pension bill passed and signed by the president. It will date from May first. The allotments will be monthly, as follows:

Widow of War of 1812, \$30.00.  
War with Mexico, service of over 60 days, \$50.  
Same to one helpless and blind, \$72.  
Widow of Mexican veteran, \$30.  
One who served 90 days or more in army, navy or marine in Civil War and honorably discharged, \$50.  
Same if helpless, blind or so nearly that he needs personal aid and attention, \$72.  
Disabled in one hand or foot, \$60.  
Various other grades of disability, from \$55 to \$90.  
Widow married previous to June 27, 1905, \$30.  
Every child under 16 years, \$6.00.  
Army nurses, \$30.  
To dependent parents, Civil War, \$30.  
Ordinarily no application or attention will be necessary; only in special cases claim agents not recognized except in claim for original claim, and then fee not to exceed \$10.  
The full text of the law may be seen at the Journal office.

## The Most Welcome Tire That Ever Came to Market

Men Who Appreciate Superlative Values Prefer The Brunswick

In every great tire factory, the chief question is: "How much can we give for the money?" And the product depends on the policy adopted.

Every man who has become acquainted with Brunswick Tires knows that Brunswick standards are again evident. This famous concern—noted as a leader in every line it entered since 1845—has once more proved that its policy is right.

A perfect tire is simply a matter of knowledge and standards and skill. No secrets nor patents prevent making an ideal tire.

But standards come first. For in tire making there is vast room for skipping, for subtle economies, for hidden shortcomings. Makers without the highest standards don't build high-grade tires.

The Brunswick organization of tire makers includes a brilliant staff of technical experts. Not a man

among them has spent less than 20 years in handling rubber.

Each is a master of his craft. And the new ideas they bring to the attention of Brunswick directors receive sincere consideration.

Every proved betterment is adopted unanimously.

The Brunswick Tire is a combination of acknowledged features—plus Brunswick standards of manufacture.

The result is a super-tire, the like of which you have never known before. The kind of a tire you will gladly join in welcoming.

Yet Brunswicks cost no more than like-type tires.

Try ONE Brunswick. We promise a surprise. And we feel certain that you will want ALL Brunswicks.

Then good tires will have a new meaning to you.

## Which Would YOU Prefer to Buy

Ask Yourself this Question,

"Shall I buy flour made away from home or shall I buy FLAVO and help my own community first?" FLAVO FLOUR is made at home from home wheat. The money spent for it stays at home to help prosperity.

Flavo is a Quality Flour, too.

There is none better and few so good. Above all it has that individual nut-like flavor imparted by the wonderful MARVEL process. That's a big point in its favor—just the flavor.

A Home Mill for Home People.

Not an empty phrase but one full of meaning to those who wish to see their community prosper and help build up its industries.

## SOME CIVIL AND WORLD WAR FACTS

The committee on ways and means of the house of representatives at Washington is whipping up a bill that, if passed, will give a bonus to the soldiers of the World War. That bill will soon be reported to the house for consideration, together with suggested means for raising the sum, estimated at from one to two billions of dollars, necessary to pay the bonus. Already the subject has been the text of speeches in congress and newspaper editors in all parts of the country are submitting comments, both favorable and adverse.

Neither the Republican nor the Democratic party has taken a stand as an organization upon the question of bonus, and it is quite likely that it will not become a matter for partisan discussion. But it is a problem of supreme moment to the people of the country, as it is upon them that the burden of providing the money will fall, either as a present tax upon sales or profits, or as a future levy in the redemption of bonus bonds. To encourage the intelligent discussion of bonus legislation, but with no thought of creating sentiment either for or against it, the following figures and comparisons of the treatment already accorded Civil War and World War

veterans are submitted:

At the close of the Civil War the national debt was about \$2,775,000,000, or \$80 per capita. The present national debt is about \$24,000,000,000, or \$225 per capita.

In the Civil War there were about 2,800,000 Union soldiers. In the World War there were about 4,800,000 Americans.

In the Civil War the base pay of a private was about \$13.

In the World War the base pay of a private was \$30.

In the Civil War there was no service bonus paid.

In the World War there has been a bonus of \$60 paid.

In the second year after the Civil War we paid out a total of \$21,000,000 for pensions, hospital treatment, and administration for the veterans in the twenty-fourth year, \$92,000,000; and last year, \$223,000,000.

For the present fiscal year and for 1921, the amounts to be expended in behalf of World War veterans will be approximately as follows:

Compensation for death, disability, hospital care, etc., for 1920, \$135,000,000; for 1921, \$17,865,600.

Family allowances, for 1920, \$48,000,000.

Regional offices, for 1921, \$1,250,000.

War risk bureau, administrative, for 1920, \$15,852,806; for 1921, \$10,324,400.

Vocational education, for 1920, \$38,000,000; for 1921, \$125,000,000.

Hospital construction, for 1920, \$9,950,000; for 1921, \$84,000,000.

Care of hospital patients, for 1920, \$17,166,187; for 1921, \$40,000,000.

Totals, for 1920, \$263,968,993; for 1921, \$458,440,000.

In the second year after the Civil War we paid in soldier benefits an average of \$7.50 per soldier, or about 60 cents per capita of population.

In the second year after the World War we will be paying in soldier benefits, exclusive of any contemplated bonus, an average of \$95.50 per soldier, or over \$4 per capita of population.

THE BEST RUBBER ROOFING THAT IS MADE AT THE OLD PRICES

Have 1,000 rolls of roofing for sale at old prices. 1-ply, 2-ply, 3-ply, Granitof, red slate roofing. If you are in need of any. Will save you money to see me before buying.

Call at my office, 224 West Court St.

JOSEPH DeGOVEIA.

## ILLINOIS WOMAN'S COLLEGE NOTES

The Y. W. C. A. meeting was in charge of the Juniors and was led by Miss Mildred Keys and Miss Esther Harper; Miss Mona Ramsay and Miss Marian Jane Robinson also took part. The meeting was a most interesting one and in keeping with the splendid work being done by the Association.

The Department of Home Economics prepared a moving picture playlet entitled "Foot Follies" for the entertainment and instruction of the students on Wednesday evening, May 5.

The Y. W. C. A. cabinet held its annual picnic on the grounds at Oak Lawn Wednesday afternoon. The new cabinet will attend a convention at Millikin the latter part of next week.

The college library has received another splendid gift of books, this time from the Library of Dr. George H. Stacy. Many of these books belonged to Matthew Stacy, one of the founders of the school. Such gifts as these add interest to the work of the library and make possible the continued growth.

Carthage College was represented at I. W. C. on Tuesday by Dean Simmons and Mrs. Spielman who were looking up the work done by the Department of Home Economics, with the idea of placing it in their school.

The following were week-end visitors: Miss Mary Ashley Chick, a field secretary of the Y. W. C. A., was a guest of Miss Brooks. Mrs. Olive Howell of Arthur visited her daughter, Leah. Miss Evangeline Bishop, of Bishop Illinois, was the guest of her sister, Mary. Mrs. J. W. Houston, of Canton, visited her daughter, Helen. Miss Esther Thorp was a guest of Miss Anna Ward. Mrs. H. J. Goodale, of Aurora, was the guest of her daughter, Gladys, and Miss Laura Kneale, of Pontiac, visited with her sister, Miss Louella.

Mrs. Wallace Riddell, of Berkeley, California, arrived at the college early Saturday morning. Mrs. Riddell was accompanied by her three children and will remain through the commencement season. Mrs. Riddell will be remembered by everyone as Elizabeth Harker.

The Intercollegiate Prohibition committee which visited the college last week reports that \$1,233 was subscribed by the faculty and students of the Illinois Woman's College. They are much gratified with the results of their visit here.

## AN AGED HORSEMAN DEAD

A recent number of the Horseman contains a notice of the death of Lute R. Lindsay of the far west. The article says he was born in Jacksonville in 1821 and went to Portland in 1851 when the place was but a village. He was a miner till 1871 and then went to manage large stock farm and turned his attention to training horses. His first triumph was with June L. 2:17 1/2 and after that he had Donax, 2:07 3/4, Lord Lovelace, 2:07 3/4, Lord 2:10, Queen Bee 2:13 3/4. With Lord Lovelace he twice won the \$5,000 2:08 pace at Salem, Oregon. He was known in the early days in this vicinity but only by the men of the past.

Marshall Smith of Concord traveled to the city yesterday.

## A FINE MUSICAL ORGANIZATION

During the day yesterday the Winchester band discoursed fine music most acceptably in Central park and later favored the Journal company with a serenade for which many thanks. A veteran musician of the city and one eminently qualified to judge, paid the band a high compliment for its work. It is entirely a high school organization, the instruments being owned by the school and the members, except the leader, in addition to being good musicians the young men conducted themselves in a gentlemanly manner much to the pleasure of all with whom they came in contact. The leader of the band is F. R. Waters, a citizen of Winchester, who plays a cornet. He is certainly a success in his work. The members of the band are:

Kenneth Drew, Melvin Glossup, Leonard Glossup, Lowell Hankins and R. Schillinger, cornets.

Harold Dill, Nathan Hamilton, George Baisley, Donald Henry, trombones.

Richard Hainsfurther, Jonas Lashmet, Russell Bean and E. Cox, clarinets.

Howard Mader, Harold Flynn

and James Groce, altos.  
Thomas Glossup and Emmett Thomas, bass.  
George Cowhick, baritone.  
Lawrence Wagner and Amos Cohagen, drums.

Fred Trotter, Edgar Cully and Frank Green were down to the city from Strawn's Crossing yesterday.

## The Determining Influence Among Motor Cars

ONLY things of acknowledged worth can acquire and retain the prestige of leadership. The world is not disposed to patronize failures, but it is quick to emulate success. Consider the recent marked changes in the design and construction of motor cars. Then recall which car it was that first introduced these striking advancements.

## Cole Creations Strike New Note

The low bevel-edged body panel; the high cowl; the square corners at the rear; the valanced top; the keen aeroline from stem to stern have become the outstanding characteristics of motor car designing.

All of these trace their origin to the Cole Aero-EIGHT.

Aerotype construction with its attendant 15,000 miles on tires; its wealth of reserve power; its tenacious road adherence; its increased gasoline economy; its swift acceleration and wide range of performance have elevated automobile standards.

And aerotype construction was first applied to the automobile by Cole engineers.

Acknowledged as the sponsor of the present vogue in motor car design as well as a leader in mechanical achievement, the Cole Aero-EIGHT is seasons ahead.

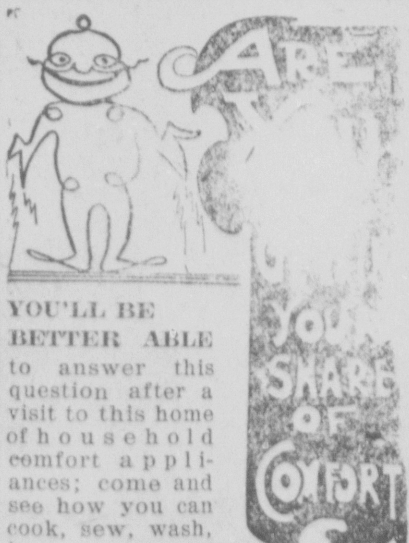

Its prestige is being re fortified again and again by the determining influence it continues to exercise over the works of its contemporaries, who have accepted Cole standards as the ones to which they, themselves, would build.

And with the ownership of the Cole Aero-EIGHT goes that feeling of pride in the possession of a thing whose worth is acknowledged by the eagerness of others to follow its example.

**E. W. SORRELLS  
MOTOR SALES CO.**

ELECTRICAL SUPPLIES, WIRING & CONTRACTING  
BOTH PHONES 239 210 S. MAIN ST.

**REST ROOM**

In remodeling our building and following the trend of the times, making the radical change in our business from horse to automobile, our first thought was to give the same good service to the public. The advent of the automobile made many changes necessary.

One of the accommodations most appreciated by persons arriving in any city by auto is the wash and rest room.

We accordingly made ample provision in that respect and are glad to offer this service to all automobile visitors.

Drive in here first. Leave your car and wraps in our care. Have your parcels sent to us to be cared for until you are ready to leave.

We are only one block north of the square, on North Main street, close to all business houses, picture shows and theater.

**YOU ARE WELCOME**

**GAS—OIL—AIR**

You say, why speak of air? The air is free, and all around us? Sure! But that is another thing that the automobile has revolutionized. Air must now be convenient, accessible and readily handled.

We have established at the curb, at the North Main street entrance to our building, an air filling station where compressed air will be delivered to your tires instantly—no charge. Just drive up and help yourself.

Gasoline, too, must be of good quality and readily accessible—no waits. Here also we have provided for quick service to the public. A gas filling station right at the curb, with the best quality gas obtainable.

And oils! Yes, sir! Oil is an important item. The right oil for the purpose. We have it, and at the right price.

**LET US SERVE YOU**

# Cherry

## SERVICE STATION

### for ALL CARS

**SUPPLIES—ACCESSORIES**

It is hard to say just which branch of service is of the most importance to the motorist, or truck and car owner, the needs are so interdependent. Without gas, oil, air, the cars cannot be run. So, too, without tires and tubes the car is of no service.

After a long investigation we decided upon the Bergougnan tire as the one that would give the utmost service to the public, a tire that would cause the least trouble and be a positive pleasure to sell. Also, for certain service we took the distribution of the Lee products, and the Tiger.

You will find here all sizes of chains, jacks, pumps, spark plugs, auto-theft locks, and, in short, everything the autoist may require.

Ask us about "Simoniz," the perfect car finish.

**YOUR PLEASURE FIRST**

**CAR STORAGE**

Convenient, dry and safe—that is what we have provided in the remodeling of our big building. In the old days of the horse-drawn vehicles large space was required, and it had to be convenient, dry and safe. In that respect there has not been a great deal of change except that vehicles now move under their own power.

We have provided "live" and "dead" storage—storage for the automobile that is not to be used for a period of time, and for the car that is likely to be used at any moment.

In addition to cars being kept in a dry and safe place, the convenience of the location, its accessibility, is to be considered.

We are but one block from the square, on North Main street. Drive in and park your car and go about your business without thought or worry. Car washing a specialty.

**SERVICE OUR MOTTO**

**MONTELLO**

The most beautiful, strongest and most enduring granite in the world.

**SUCCESSFUL YEAR AT MORTON SCHOOL**

Pupils and Parents Had Fine Time on Closing Day—Building is Modern and Well Equipped.

Morton school east of the city, taught by Elizabeth Connolly, closed Friday, May 7. The parents and patrons came at noon

bringing well filled baskets and an enjoyable dinner and social hour followed.

Andrew Bacon added to the pleasure of the occasion and covered himself with glory in the eyes of the children by contributing three gallons of ice cream to the dinner. Three cheers were given for Mr. Bacon and the ice cream disappeared at an alarming rate.

In the afternoon a program was given by the children consisting of songs, dialogues and recitations. A large flag had recently been purchased for the school and special attention was given to it. Some interesting numbers on the program were violin solo by Wendell Rawlings; instrumental solo by Andrew Moy; a group of songs by Mrs. J. E. Rawlings; a reading by Verniel Perkins; solo by Harold Black; a number of songs by Serena Connolly; solo by Mary Rachel Thompson of Arcadia.

Among those present at the dinner hour were: Mr. and Mrs. James E. Rawling, Mrs. Henry Morhole, Logan Black and daughter Miss Irma Mr. and Mrs. Amos Coker, Mrs. Wm. Thompson, Mr. and Mrs. Andrew Bacon, Mrs. Edith Bozart and daughter, Mr. and Mrs. Dan Moy, Mrs. Stephen Dunlap, Mr. and Mrs. Oddy and children, Miss Ruth Dunlap, Mr. and Mrs. John Ross, Albert Renniker, Albert Ross, Mrs. Molly Phillips, Mrs. Lee Harney, Mrs. Grace Mines and sisters, Mrs. Henderson and Mrs. Nunes, Mrs. J. E. Young and Mrs. M. M. Connolly of Murrayville, Mr. and Mrs. Clarence Thompson of Arcadia, Mrs. Chas. West and children, Mr. and Mrs. Moeller and Mrs. German of Jacksonville, Mrs. O. Burkhardt, Misses Katherine and Josephine Hines, Louise Renner, Henriette Gruber of Jacksonville, Serena Connolly of Murrayville, Mrs. Mildred Devine and daughter, Mildred.

For the benefit of those who are interested in Morton school or in schools in general we will give a summary of what has been accomplished this term towards standardizing the school. As mentioned before in these columns the school has fared badly at the hands of vandals. At the beginning of the school year nothing was left in the building that could be carried away, and supplies had to be purchased anew, and now fifty-two articles (by actual count) have been secured to add to the comfort of all concerned and bring the school up to the standard.

The building is comparatively new, is finished and furnished in golden oak; equipped with fixtures for acetylene gas; has a concreted basement under the entire building, which has been fitted up and used as a playground for the first time; new pictures and blackboards have been added; an organ was purchased and above all the Moulthrop movable chair desk were installed which are fine for the children. Some more windows are to be added and the build-

ing treated to a coat of paint as soon as possible. Morton school will then take its rightful place among the finest in the county.

The board of directors includes James E. Rawlings, Logan Black and R. E. Phillips. Messrs. Black and Rawlings have been on the board for a long time and too much credit can not be given them for their untiring efforts in this direction. They have discharged their duties faithfully towards teacher and school.

Every effort will be made to safeguard the property. Iron bars have been put on all the windows, heavy outside doors have been put on and fastened with padlocks and the gates have been made secure. Sheriff Weatherford has announced himself as ready any hour to assist the board in whatever way he can and will be only too glad to punish to the limit any one caught around the premises.

Elizabeth Connolly,  
Teacher.

**WARNING**

# MOON

## MODERN MOTOR CARS

Speeding down the broad highway or drawn up to the curb in the conspicuous light of the theatre entrance, the Moon Sedan reflects your idea of what a custom-built car should be. Since Joseph W. Moon, out of a wealth of experience as a manufacturer of fine carriages, built the first Moon fourteen years ago, Moon design and coach work have set standards for motordom.

The Moon Sedan is a companion of luxury that fits into everyday use during all seasons.

There are the wide windows that close snugly and open easily. A foot-operated heater gives fire-side comfort on cold days. When warm rains or summer dust require closed protection, a ventilator adjustable from the inside keeps the interior cool with an abundance of fresh air.

Built by

THE MOON MOTOR CAR CO.,  
St. Louis, U. S. A.

## NEW TEACHERS FOR MEREDOSIA SCHOOLS

Board of Education Makes Appointments For Coming Term—Other Items of Interest From Meredosia.

Meredosia, May 6.—The Board of Education held a business meeting at the high school auditorium Monday evening and elected the following teachers for the grades: Miss Lena Pfenniger of Milton, first and second grades; Miss Esther Yeakel, third and fourth; Miss Minnie Chamberlain, fifth and sixth; Harry Test, seventh and eighth. Mr. Frost has been given the superintendency of all the grades. The teachers for the high school cannot be selected until after the election of directors for the community high school takes place May 22nd.

Mrs. Rose Brown and daughter Grace of Ohio, have been the guests of Mr. and Mrs. Manley Vanhynning this week.

Mrs. F. J. Unland and son Hubert left Tuesday for a visit with Mr. and Mrs. Alvin Unland near Beardstown.

The Alumni association met Monday evening for the purpose of electing officers and making preparations for the annual reception of the graduates. The officers elected were:

President—Dr. H. Butcher.  
Vice President—Lottie Berger.

Secretary—Margaret Cody.  
Treasurer—Emma Yost.

The different committees for the Alumni reception to be held at the high school auditorium Monday evening, May 17, were appointed as follows:

Executive Committee—Gertrude Sargent, Myrtle Lake, Esther Yeakel.

Arrangement Committee—Fred Munman, Esther Yeakel, Ina Mayes, Lena Bollyard.

Program Committee—Lottie Berger, Emma Yost, Harry Test.

Banquet Committee—Bessie Wade, Grace Nolden, Myrtle Lake, Leta Schaefer.

Reception Committee—Margaret Cody, Lottie Berger, Myrtle Lake.

Mrs. James Galaway, Mrs. Minnie Fotsch, Mrs. Fred Reed and daughters Helen and Maud attended a group meeting of the W. F. M. S. in Versailles Wednesday.

S. J. Barnett, L. F. Berger and Eli Harshman were among the county seat visitors Tuesday.

Rev. G. T. Wetzel of Jacksonville was a business visitor in town Wednesday.

Miss Emma Blursch returned Monday to Quincy after visiting Miss Bernice Skinner.

Mrs. W. S. Jones of Jacksonville was a visitor here Tuesday, the guest of Mrs. T. W. Burdick.

J. W. Collins and two children Esther and Roy of Winchester, were guests of Mr. and Mrs. Geo. Christianer Tuesday.

C. P. Hedrick and family moved Wednesday to their new home on South Washington street which they recently purchased of Mrs. Maude Graham.

Mrs. Mary Naylor accompanied by her son Hal and wife, spent a portion of this week visiting Mr. and Mrs. John Naylor at Beardstown.

Mrs. Adelaide Laughney departed Wednesday for Hannibal and Saverton, Mo., to visit relatives.

Mrs. Harry Test and baby left Wednesday for a visit with relatives at Beverly.

Mrs. Charles James was a business visitor in Jacksonville Wednesday.

Willie Butcher has been spending the week in Barry with his brother, Gus and family.

### NOTICE TO

#### BICYCLE RIDERS

Warning is hereby given to all bicycle riders to keep off sidewalks in the city. The traffic ordinance expressly forbids the riding of bicycles on sidewalks and offenders will be arrested and fined.

FRANK KILORAN,  
Chief of Police.

### INDIANS TO FIGURE IN

#### MAINE CENTENNIAL

Portland, Me., May 6.—Indians living in Maine will make their homes this summer on land which was the abode of their ancestors 230 years ago. As part of the Maine Centennial celebration, tribes of Penobscots and Passamaquoddy will dwell at Derring, Oaks, which has been occupied by palefaces since September 21, 1689. English settlers took possession then after a conflict with the redskins.

The centennial committee will establish villages at Deering Oaks typical of the original tribal settlements. Wigwams beneath the great oaks will shelter the survivors of the powerful tribes that have passed to the happy hunting grounds. On a nearby stream they will paddle their canoes. Many white visitors are expected to mingle with the braves, squaws and papooses making a scene not unlike that of two centuries ago except for the absence of fire-water and an occasional clash.

### FARM BUREAU MEETINGS

Plan to attend the meeting nearest you.

### BUILDER AND CONTRACTOR

George A. Johnson, builder and contractor, 429 South Mauvais-

terre street. All work guaranteed.

## MAVERICKS

Greeting to you month of May We wish that you could always stay.

Johnny Wilson who got a native son decision over Mike O'Dowd in Boston the other night is proving a true champion. He has already announced that he will rest for a month before fighting again.

If some means could be devised to get a lot of able bodied men thruout the country at work it might reduce the high cost of living. Right here in Jacksonville any day may be seen hundreds of able bodied standing around on the street corners and loafing in places of business who are consuming but not producing.

Missouri republicans put a dry plank in their platform. As tho it wasn't dry enough already.

Authorities are going to investigate the meagerness of slices of pie in Chicago restaurants. If the pie is no better than they used to serve, a man is better off the smaller slice he gets.

### The Old Fashioned Mother.

The Pike county Democrat speaks of the days when mother used to keep the milk tickets on top of the cupboard and when she joined embroidery and literature clubs.

Not many of the old time mothers with eight or ten children to look after had much time to embroider or attend clubs for the study of literature. About all the literature most of them got was to hear father read the plate matter in the weekly paper which was several weeks old.

Most of their embroidery work was done on the seat of some youngsters jeans trousers or in knitting wristlets. Yet despite the lack of opportunity those old time mothers were wonderful women.

We will venture that if you will ask any gray headed man to-day he will tell you that mother was the greatest woman in the world and he will come pretty near to telling the truth.

We read with much interest each day the testimonials of men and women who have gotten such enormous appetites from taking various medicines. Just why any body wants to develop an appetite at the present price of food stuffs is something we can't figure out.

Secretary of Navy Daniels has destroyers ready for a dash to the Mexican coast. Probably going down to have Carranza salute the flag.

Hiram Johnson took the California Derby in easy fashion. Herbert Hoover also ran.

The authorities at Washington have announced that persons either selling or buying materials for the purpose of making intoxicants are liable to arrest and fine. A man will soon be taking a chance if he buys a cake of yeast.

According to the Beardstown Illinois-Star Mayor Perry expected to appoint a bride tender committee at the meeting of the city council held last week.

Members of the Massachusetts senate must be thirsty. They passed a bill last week legalizing light wines and 2.75 beer by a vote of 26 to 6.

A Chicago banker says all that is needed in the present crisis is horse sense.

It is hard for a man to display much horse sense when he has to pay 25 cents for a pound of sugar.

If only some auto drivers would acquire some horse sense. G. W. D.

## Spring Is Here

Are you going to paint this year? Did you ever stop to think what a coat of paint on your house or outbuilding would do for you?

It not only improves the looks of your buildings but it preserves the lumber from the weather.

Ho woften have you driven by a place that was nicely painted and you commented upon the thrifty appearance of the property.

And while the old saying is "That clothes do not make the man" but in these latter years we all acknowledge that a well dressed man makes the best headway in this world, and so it is with your property, if it is well kept you will find that you have a higher standing in your neighborhood and among your associates.

We would call your attention that we have a full line of standard paints and oils for the interior as well as the exterior. Also a full line of brushes and painters' supplies, as well as a complete line of hardware, harness and farming implements.

## Going to the Races?

## Prest-O-Lite

Will Look After Your Car

If you are going to the Speedway races in Indianapolis May 31st, let the Prest-O-Lite Co. solve the problem of where to park your car. It will provide a special space for it under the watchful eye of its special watchman. If your battery needs attention, it will receive it while you are at the races. You will also be furnished with a generous box luncheon to carry to the Grand Stand with you.

We have a number of tickets entitling you to both these privileges. We will be glad to give you one if you will

Chapman States Tanlac Got  
Out of Bed and Made Her  
and Strong.

Emma Chapman, proprietor of popular rooming house at 634 1/2 street, Terre Haute, while discussing Tanlac (re-said):

Nothing ever helped me until Tanlac, and that's saying a deal, for I have been trying seven years to get relief. My stomach and back first got to hurting me and then my stomach all upset and I suffered indigestion. For five years

not been able to eat with-  
out feeling all bloated up and  
in pain. I kept going from  
worse until I finally had to  
begin trying to do my housework  
with all my roomers go. I got  
down in bed and felt so  
weak and miserable I could  
not stand it. I lost all interest  
in anything and felt so bad that  
I could hardly worth living.  
One night some friends came  
and read a testimonial  
about the Food and Vitamin pills.

scribed my case so well  
sent down to the drug store  
a bottle of Tanlac. I was  
wful fix and had gotten to  
I couldn't turn myself in  
they had to prop me up  
chair and pillows to rest  
and eat what little I could  
did not take Tanlac but a  
s before I was able to sit  
d, and when I finished my  
bottle I was able to stay  
and walk all over the  
nd back yard. For the

in many, many months I  
eat and sleep well, and now  
of twenty years younger.  
my roomers started again,  
my work, and when I get  
at night I feel as good  
I start in the mornings,  
perfectly well all the time  
can't thank Tanlac  
—it has been worth its  
a gold to me. I can sweep  
house, move the beds  
the rooms and carry pitch-

### DIAMOND GROVE STOCK FARM TERMS FOR 1920

"GARDIEN" 60061 (71333)—Full Blood Percheron.  
"RAMEAU, Jr."—Grade Percheron—15-1 1/2 hs.  
"TAXPAYER" 24211—Registered Jack

The terms on each of these animals will be the same as follows:

\$12.50 if paid at time of service.  
\$15.00 if paid 6 months after service.  
\$20.00 if paid 12 months after service.

If mare misses or has dead colt, she can be returned free. If owner wishes, another mare can be substituted.

"Courteous treatment and one price to all" is our motto.

Our hours for business are from 7 to 11 a. m., and from 1 to 5 p. m. Other times by appointment only. Phone us on 767 Illinois and engage your dates, or write us and the date will be held for you.

H. H. MASSEY.

### With the Kobzy Safety Signal

Housed on Your Rear Left Fender in Plain View of the Driver Behind, You Notify the Car Behind Just What You Intend to Do

Rear end collisions are practically unavoidable unless a definite means is used to signal traffic behind. Arm signals fail in critical moments and are impossible in closed cars. When at the wheel you are always wondering what the car ahead will do. The driver behind is wondering about YOU. Leave no doubt in his mind. Let him know definitely, positively, without chance of misunderstanding.

The Kobzy Signal Operates on the Semaphore Principle—Visible from Front and Rear—Day and Night.

—Endorsed by Leading Motor Clubs

There is no mistaking a Kobzy Signal. At the touch of your finger on the control lever on your steering post a "Stop," "Right," or "Left" signal snaps up on your rear left fender.

### LITERBERRY NEWS NOTES OF INTEREST

Baptist Aid Society Meets—Mrs. Jennie McFarland a Hospital Patient—Other News.

Literberry, May 8.—The Baptist Ladies' Aid were entertained Thursday afternoon at Pioneer Farm, the pleasant home of Mr. and Mrs. Ellis Thompson, just a short distance north of Arad. There were 23 members present and five visitors.

Roll call was answered by giving the name of some Bible mother.

During the business hour a letter of thanks was read from Mrs. N. T. Hafer, matron of the Irvington Orphanage of the Baptist church.

Mrs. Hafer told of the enjoyment the children had in the present they received at Easter, the case of eggs sent by the Literberry class.

Other reports were given and the president called for the business of the Inter-Church drive.

A motion was made that the Aid pay to the drive \$500, \$100 each year beginning this month, for 1920, with \$100 the first payment, this to be taken from the funds now on hands. Carried.

A short program followed. Reading—"God Is in His Heaven; All's Well With the World."

This was a mixed reading, part of it serious and some of it humorous, and was composed and read by Mrs. Earl Rexroat.

Mrs. Charles McDonald had for her subject "A Mother's Heart," with four other poems connected, some of them being compositions of Kathleen Norris. They were very good, bringing out mother love and mother's day thoughts.

Rev. and Mrs. W. R. Johnson, of Jacksonville, came in during the program and by their splendid singing as soloists added much to the enjoyment of the afternoon.

Mrs. Thompson served splendid angel food cake, chocolate cake, big slices of brick ice cream and good coffee, with all the trimmings. Her helpers were her little son, Ireland, and the Misses Mildred Underbrink, Eleanor Grey and Mary Rachel Thompson.

A good offering was taken and the members sang the following lines as a benediction:

"If I have wounded any soul today,  
If I have caused one foot to go astray;  
If I have walked in mine own wilful way—

Dear Lord, forgive."

Mr. and Mrs. Ova Collins are rejoicing over the birth of a little daughter, who came to their home Wednesday afternoon.

Mrs. Jennie McFarland has been suffering since Tuesday evening from a finger, wounded by an ugly splinter getting in the fleshy part. This happened as she was cleaning house. The doctor thought best on Friday to take her to the Passavant hospital at Jacksonville.

Mrs. Melissa Paul, of Rose Cottage, was calling on friends in North Literberry Friday.

John Young is sick with rheumatism, which seems to want to stay with him, he being poorly for some time past.

Mrs. J. A. Litter is planting flowers of all kinds, some of which she brought from Jacksonville last Wednesday. Mrs. Litter is quite a flower gardener and her yard in the summer is a beautiful spot.

Miss Ada Scribner, of Harmony Cottage, is reported sick with a sore throat.

### VISITOR FROM CANADA

William L. Ruark, of North Bend, British Columbia, is in the city to take home his daughter, Miss Ruth, who has been living with Mr. Ruark's sister, Mrs. J. D. Benson and attending school. The young lady will be placed in a school nearer home.

### SOME CHICKENS

Yesterday Fred Ranson of the vicinity of the mound, brought to town to fill an order 270 fluffy little day old chicks. They were yellow but in time, if they live, will develop into White Leghorns. They were really quite a sight as they snuggled in the box in which he had them.

### GAVE ORGAN RECITAL

Frank Collins, Jr., of Virginia, who has won an enviable reputation for himself locally among those who know good music, gave an organ recital in Music Hall at the Woman's College Friday evening. Mr. Collins has been making pilgrimages from Virginia to Jacksonville for some years in the interest of his musical education and for several of these years has been enrolled as a student of organ with the directors of the Woman's College of Music.

Though his fame had gone abroad, the audience, which was most appreciative, was not prepared to hear the youth who will still live several years in his teens give a program of such magnitude and brilliance as that presented. The program was made up wholly of modern works for the organ. The noteworthy features of his playing are fleet, surefingers, rapid changes in registrations, and brilliant pedal technique one must needs speak especially of the fine playing of then pedal cadenza in the final number of the program.

Mr. Collins friends are amply justified in expecting great things of him in the musical world which he will no doubt soon enter; he is a serious student who will in time wrest from the public laurels of his own.

J. G. Dowell, Newton Woods and wife, Harlan and Louis Roberts and Miss Fay McNeely were city callers from Franklin yesterday.

William Petefish, Thomas Lacey and George Roach made a trip from Literberry to the city yesterday.

### GUARANTEED 2 YEARS

You can always tell a Philadelphia Diamond Grid Battery plate at a glance. Both sides are covered with Diamonds. If the Diamonds are not there it is not genuine. Don't let anybody convince you otherwise. Once in a while, we hear of somebody pulling out an old unknown plate—without Diamonds on it—and claiming that it was taken from a Philadelphia Diamond Grid Battery. Let us show you a genuine Diamond Grid Plate so you can always be sure of what you are getting. It is well worth being sure. Battery inspection free. Expert repairing and recharging.
